- When to use this form:** Use this form to change your allocations and initiate one or more transactions for your annuity contract. For Dollar Cost Averaging, complete Sections 1, 2, 3 and 5. To change Future Allocations, complete Sections 1, 2, 3 (if necessary), and 5. For Scheduled Rebalancing, complete Sections 1, 2, 3 and 5. For Individual Investments, complete Sections 1, 3, and 5.
- To complete this form:** All pages of this form must be returned. Print clearly in dark ink. Provide requested information in full. An incomplete form may delay processing. Do not highlight any information submitted on this form. Paperwork submitted to Pacific Life is scanned into an imaging system and highlighting could make that information unreadable.
- Important information:** All requests must be received in good order before market close of the New York Stock Exchange to be processed the same business day. Standard market close is 4pm Eastern, Monday through Friday. This excludes certain holidays where the market may be closed or closes early.
- For help or questions:** Contact your Financial Professional or call Pacific Life customer service at (800) 722-4448. Financial Professionals can obtain additional copies of this form by visiting our Financial Professional Web site at www.PacificLife.com.

INSTRUCTIONS

- 1 General Information:** Provide the owner's name, daytime telephone number, and contract number (if known).
- 2 Transaction Options:** Complete this section to initiate one or more of the following transactions:
 - **Dollar Cost Averaging:** Dollar cost averaging (DCA) is the movement of values from one investment option into one or more options on a predetermined schedule. If transferring percentages, each transferred amount will equal the percentage of the contract value divided by the frequency selected. You may stop DCA by writing to or calling Pacific Life at least five days prior to the next transfer date. DCA can start as early as 30 days after contract issue. DCA Plus Fixed Option is not available for Pacific Select Variable Annuity, Pacific Innovations, Pacific One, Pacific One Select or Pacific Odyssey. If this form is received by Pacific Life after the selected start date, the first transfer will be processed in the following month on the date selected. If no start date is selected, the first transfer will be one frequency from the day the last of all requirements are received in good order. DCA can be a convenient way to continuously invest, regardless of changing prices. However, it does not assure a profit or protection against a loss in declining markets. Consider your financial ability to continue to invest, even when prices are low. For earnings sweep, a minimum amount of interest (\$50) must be accrued before a transfer occurs.
 - **Future Allocations:** Complete this section to change your allocations for future purchase payments. Total percentages should equal 100%. These percentages will remain in effect for all future purchase payments unless changed. DCA Plus Fixed Option is not available for Pacific Select Variable Annuity, Pacific Innovations, Pacific One, Pacific One Select, or Pacific Odyssey. There may be limitation amounts on trades and additional premiums into the Fixed Account Option. Not all investment options are allowable allocation options for use with riders. Contact Pacific Life Customer Service for additional information.
 - **Scheduled Rebalancing:** Select the box for scheduled rebalancing. Your contract will be rebalanced according to the investment allocations.
- 3 Transaction Instructions:** Complete Section 3 to select asset allocation options, future allocations, scheduled rebalancing, and dollar cost averaging. Indicate either whole percentages or dollar amounts. For target account(s), total must equal 100%.
- 4 Terms and Conditions:** Read this section for all investment option changes.
- 5 Acknowledgement and Signature(s):** The form must be signed and dated by the owner. In cases of joint ownership, both owners must sign.
