¹Net fund expenses are as of the most recent prospectus date and are subject to change. These expenses are assessed annually as a percentage of each fund's average daily net assets. Net fund expenses reflect waivers, reductions, and reimbursements. The table does not reflect expenses and charges that are, or may be, imposed under the variable annuity contract.

²The money managers listed also may offer retail mutual funds. Although some funds may have names or investment goals that resemble retail mutual funds managed by the same money manager, these funds may not have the same underlying holdings as the retail mutual funds. Fees may vary between the variable annuity investment options and the similarly managed mutual funds. Investment results may be higher or lower.

³Morningstar categories are as of March 31, 2026.

⁴Fee waiver expires on May 1, 2027.

⁵Fee waiver expires on April 30, 2027.

You could lose money by investing in the Fidelity VIP Government Money Market Portfolio. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the fund is not a bank account and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Fidelity Investments and its affiliates, the fund's sponsor, is not required to reimburse the fund for losses, and you should not expect that the sponsor will provide financial support to the fund at any time, including during periods of market stress. The 7-day yield (Yld) is net of all recurring contract fees and charges, is prorated and more closely reflects the current earnings of the Fidelity VIP Government Money Market Portfolio than the total return. Returns of less than one year are not annualized.

⁸PLFA Pacific Dynamix® Portfolios: Net fund expenses reflect a contractual expense cap in place through April 30, 2027. There is no guarantee that expenses will continue to be capped after that date. Does not include contract-level charges. A fund-of-funds involves direct expenses for each fund and indirect expenses for the underlying funds.

This material must be preceded or accompanied by the product prospectus. Contact your financial professional or visit PacificLife.com/Prospectuses for more information, including product and underlying fund prospectuses, as well as summary prospectuses, if available, that contain more complete information about Pacific Life & Annuity Company and a variable annuity's risks, charges, limitations, and expenses, as well as the risks, charges, expenses, and investment goals of the underlying investment options. Read them carefully before investing.

Not all products or optional benefits are available in all states or firms, and features may vary by state and firm.

All individuals selling this product must be licensed insurance agents.

Under current law, a nonqualified annuity that is owned by an individual is generally entitled to tax deferral. IRAs and qualified plans—such as 401(k)s and 403(b)s—are already tax-deferred. Therefore, a deferred annuity should be used only to fund an IRA or qualified plan to benefit from the annuity's features other than tax deferral. These include lifetime income, death benefit options, and the ability to transfer among investment options without sales or withdrawal charges.

Variable annuities are long-term investments designed for retirement. The value of the variable investment options will fluctuate so that shares, when redeemed, may be worth more or less than the original cost. Annuity withdrawals and other distributions of taxable amounts, including death benefit payouts, will be subject to ordinary income tax. For nonqualified contracts, an additional 3.8% federal tax may apply on net investment income. If withdrawals and other distributions are taken prior to age 59½, an additional 10% federal income tax may apply. A withdrawal charge also may apply. Withdrawals will reduce the contract value and the value of the death benefits, and may reduce any optional benefits.

Unless otherwise noted, all aforementioned fund managers, their distributors, and affiliates are unaffiliated with Pacific Life and Pacific Select Distributors, LLC.

Third-party trademarks and service marks are the property of their respective owners.

Pacific Life Fund Advisors LLC (PLFA), a wholly owned subsidiary of Pacific Life Insurance Company, is the investment adviser to the Pacific Select Fund (PSF). PLFA directly manages certain PSF funds-of-funds.

Pacific Life & Annuity Company is licensed to issue insurance products in all states, including New York. Product/material availability and features may vary by state.

Insurance product and rider guarantees, including optional benefits and any fixed crediting rates or annuity payout rates, are backed by the financial strength and claims-paying ability of the issuing insurance company and do not protect the value of the variable investment options. They are not backed by the broker/dealer from which this annuity is purchased, by the insurance agency from which this annuity is purchased, or any affiliates of those entities, and none makes any representations or guarantees regarding the claims-paying ability of the issuing insurance company.

Variable insurance products are distributed by **Pacific Select Distributors, LLC** (member FINRA & SIPC), an affiliate of Pacific Life & Annuity Company.

The home office for Pacific Life & Annuity Company is located in Phoenix, Arizona.
