New Annual Credit	<b>Changing to 6%</b> for first 10 years or until first withdrawal
New Eligible Investment Options	<b>Now 80+ investment options,</b> including those with up to 100% equity exposure

### Important Information

The update withdrawal percentages and annual credit rate, as of 11/1/23, apply only to new issues and do not impact existing riders. Contracts issued on or after 11/1/23 will receive the new withdrawal percentages and annual crediting rate.

If an application or transmission is dated 10/31/23 or earlier and is received in good order within 14 calendar days from the application-sign date or prior to 10/31/23, then the contract and optional benefit will be issued with the current (higher) withdrawal percentages and annual credit and old investment options. Funds must be received within 60 calendar days from the application-sign date.

- If the funds are received after 60 calendar days from the application-sign date, then the contract will be issued with the new (lower) withdrawal percentages and annual credit and additional investment options.

If an application or transmission is dated 11/1/23 or later, the contract will be issued with the new (lower) withdrawal percentages and annual credit and additional investment options.

Insurance products can be issued in all states, except New York, by Pacific Life Insurance Company or Pacific Life & Annuity Company. In New York, insurance products are only issued by Pacific Life & Annuity Company. Product/material availability and features may vary by state.

***Investors should carefully consider a variable annuity's risks, charges, limitations, and expenses, as well as the risks, charges, expenses, and investment goals of the underlying investment options. This and other information about Pacific Life are provided in the product and underlying fund prospectuses. These prospectuses should be read carefully before investing.***

*Pacific Life is a variable annuity provider. It is not a fiduciary and therefore does not give advice or make recommendations regarding insurance or investment products.*

The value of the variable investment options will fluctuate so that shares, when redeemed, may be worth more or less than the original cost.

Annuity withdrawals and other distributions of taxable amounts, including death benefit payouts, will be subject to ordinary income tax. For non-qualified contracts, an additional 3.8% federal tax may apply on net investment income. If withdrawals and other distributions are taken prior to age 59½, an additional 10% federal income tax may apply. A withdrawal charge, and a market value adjustment (MVA), also may apply. Withdrawals will reduce the contract value and the value of the death benefits and may reduce the value of any optional benefits.

Future Income Generator is named "Guaranteed Withdrawal Benefit XXII Rider—Single Life" and "Guaranteed Withdrawal Benefit XXII Rider—Joint Life" in the contract rider.

Pacific Life refers to Pacific Life Insurance Company and its affiliates, including Pacific Life & Annuity Company. Insurance products can be issued in all states, except New York, by Pacific Life Insurance Company or Pacific Life & Annuity Company. In New York, insurance products are only issued by Pacific Life & Annuity Company. Product/material availability and features may vary by state.
