Pacific Life refers to Pacific Life Insurance Company and its affiliates, including Pacific Life & Annuity Company. Insurance products are issued by Pacific Life Insurance Company in all states except New York and in New York by Pacific Life & Annuity Company. Product availability and features may vary by state. Each company is solely responsible for the financial obligations accruing under the products it issues. Product and rider guarantees are backed by the financial strength and claims-paying ability of the issuing company and do not protect the value of the variable investment options. Fixed and Variable annuities issued by Pacific Life are distributed by **Pacific Select Distributors Inc.** (member FINRA & SIPC), a subsidiary of Pacific Life, and are available through licensed third party broker/dealers.
