E-mail address: _____

ELECTRONIC INFORMATION OPT-IN CONSENT

By providing the e-mail address above and signing, I voluntarily consent to receive documents and notices applicable to my contract as permitted by law, including prospectuses, prospectus supplements, reports, statements, immediate confirmations, tax forms, proxy solicitations, privacy notice and other notices and documentation in electronic format when available instead of receiving paper copies of these documents by U.S. mail. Pacific Life will send paper copies of annual statements if required by state or federal law. Not all contract documentation and notifications may be currently available in electronic format. For jointly owned contracts, both owners are consenting to receive information electronically.

Pacific Life suggests that in order to receive documents electronically, the contract owner should have ready access to a computer with Internet access, an active email account to receive this information electronically, and ability to read and retain it. I understand that:

- There is no charge for electronic delivery, although my Internet provider may charge for Internet access.
- I should provide a current e-mail address and notify Pacific Life promptly when my e-mail address changes.
- I should update any e-mail filters that may prevent me from receiving e-mail notifications from Pacific Life.
- I may request a paper copy of the information at any time for no charge, even though I consented to electronic delivery, or if I decide to revoke my consent.
- For jointly owned contracts, all information will be provided to the email address listed.
- Electronic delivery will be cancelled if e-mails are returned undeliverable.
- This consent will remain in effect until I revoke it.

Please call (800) 722-4448 and tell a customer service representative if you would like to revoke your consent, wish to receive a paper copy of the information above, or need to update your e-mail address. You may opt out of electronic delivery at any time.

3 SIGNATURE(S) I have read, understand, and accept the terms and conditions regarding my authorization(s).

Pacific Life refers to Pacific Life Insurance Company (Newport Beach, CA) and its affiliates, including Pacific Life & Annuity Company. Pacific Life Insurance Company is the issuer in all states except New York. Pacific Life & Annuity Company is the issuer in New York.

This form is not part of the prospectus.

**Supplement dated October 19, 2018 to the Prospectus dated May 1, 2018
for the Pacific Select Variable Annuity II contract issued by Pacific Life Insurance Company**

Capitalized terms used in this supplement are defined in the Contract Prospectus unless otherwise defined herein. “We,” “us,” or “our” refer to Pacific Life Insurance Company; “you” or “your” refer to the Contract Owner.

This supplement must be preceded or accompanied by the Contract Prospectus dated May 1, 2018, as supplemented.

All changes discussed in this supplement are effective immediately unless otherwise noted below.

Reorganization of the Floating Rate Loan Portfolio and Transfer to the Floating Rate Income Portfolio

On September 26, 2018, the Board of Trustees of Pacific Select Fund approved a plan of reorganization for vote by affected Contract Owners. If the reorganization is approved, Floating Rate Loan Portfolio fund shares will be transferred to the Floating Rate Income Portfolio and the reorganization will take place on or about March 1, 2019 (the “Reorganization Date”). **This is only a transaction involving the Floating Rate Loan Portfolio and the Floating Rate Income Portfolio mentioned above and is not a reorganization of your Variable Annuity Contract.**

Effective February 20, 2019, the Floating Rate Loan Portfolio will be closed to new allocations and only Contract Owners that have Contract Value in the Floating Rate Loan Portfolio as of the end of the Business Day on February 19, 2019, may continue to make Purchase Payments, transfers, or withdrawals involving the Floating Rate Loan Portfolio. If you have Contract Value in the Floating Rate Loan Portfolio and withdraw or transfer out 100% of the Contract Value, you will not be able to re-invest in the Floating Rate Loan Portfolio.

For thirty (30) calendar days before the Reorganization Date, if you have Contract Value allocated to the Subaccount investing in the Floating Rate Loan Portfolio, you may make a one-time transfer of all or a portion of such Contract Value to any other available Subaccount without the transfer counting towards the twenty-five (25) transfers permitted each calendar year. All other transfers are subject to limitations as described in your Contract Prospectus.

On the Reorganization Date, any Contract Value that remains allocated to the Subaccount investing in the Floating Rate Loan Portfolio after the close of business will be transferred to the Subaccount investing in the Floating Rate Income Portfolio. Such transfers will be based on the applicable Subaccount Unit values, and the relative net asset values of the Floating Rate Loan Portfolio and the Floating Rate Income Portfolio, as of the close of business on the Reorganization Date. You will not incur any tax liability because of the reorganization and your Contract Value immediately before the reorganization will be equal to your Contract Value immediately after the reorganization. The reorganization transactions will not be treated as transfers that count toward the number of transfers that may be made in a given calendar year.

After the Reorganization Date, the Floating Rate Loan Portfolio Subaccount will no longer exist and, unless you instruct us otherwise, any outstanding instruction you have on file with us that designates the Floating Rate Loan Portfolio Subaccount will be deemed an instruction for the Floating Rate Income Portfolio Subaccount. This includes, but is not limited to, instructions for Purchase Payment allocations, partial withdrawals, and transfer instructions (including instructions under any systematic transfer option). During the thirty (30) calendar day period after the Reorganization Date, you may make a one-time transfer out of the Floating Rate Income Portfolio Subaccount without the transfer counting towards the transfer limitations described in your Contract Prospectus. All other transfers are subject to limitations as described in your Contract Prospectus.

Please work with your financial advisor to determine if your existing allocation instructions should be changed before or after the Reorganization Date. You may submit a transfer request to us electronically by signing into your account at www.PacificLife.com, by telephone at (800) 722-4448, or by using any other means described in the Contract Prospectus. Please see **ADDITIONAL INFORMATION – Inquiries and Submitting Forms and Requests** in the Contract Prospectus for details.

Any references to the Floating Rate Loan Portfolio are deleted from the Contract Prospectus after the Reorganization Date.

Effective March 1, 2019, the following Investment Option will be added:

PACIFIC SELECT FUND	INVESTMENT GOAL	MANAGER
Floating Rate Income Portfolio	Seeks a high level of current income.	Pacific Asset Management

For more information on the Floating Rate Income Portfolio, including a discussion of the investment techniques, charges and expenses, and risks associated with the portfolio's investments, see the Pacific Select Fund Prospectus. You can obtain a Pacific Select Fund prospectus and any supplements by contacting your financial advisor or online at www.PacificLife.com/PacificSelectFund.html.

Pacific Select Fund Portfolio Manager/Subadviser Name Change

The Manager/Subadviser name for the Diversified Bond Portfolio is changed from Western Asset Management Company to Western Asset Management Company, LLC.

For more information on the subadviser change, see the Pacific Select Fund Prospectus. You can obtain a Pacific Select Fund prospectus and any supplements by contacting your financial advisor or online at www.PacificLife.com/PacificSelectFund.html.

Pacific Select Variable Annuity II is an individual flexible premium deferred variable annuity contract issued by Pacific Life Insurance Company (“Pacific Life”) through Separate Account B of Pacific Life.

In this Prospectus, *you* and *your* mean the Contract Owner or Policyholder. *Pacific Life*, *we*, *us* and *our* refer to Pacific Life Insurance Company. *Contract* means a Pacific Select Variable Annuity II variable annuity contract, unless we state otherwise.

This Prospectus provides information you should know before buying a Contract. Please read the Prospectus carefully, and keep it for future reference.

The Variable Investment Options available under this Contract invest in portfolios of the following portfolio companies (“Funds”):

American Funds Insurance Series®

Fidelity® Variable Insurance Products Funds

Pacific Select Fund

You will find a complete list of each Variable Investment Option on the next page. This Contract also offers the following:

FIXED OPTION

Fixed Option

You will find more information about the Contract and Separate Account B in the Statement of Additional Information (SAI) dated May 1, 2018. The SAI has been filed with the Securities and Exchange Commission (SEC) and is considered to be part of this Prospectus because it’s incorporated by reference. The contents of the SAI are described in this Prospectus after The General Account section – **see the Table of Contents**. You can get a copy of the SAI without charge by calling or writing to Pacific Life or you can visit our website at www.pacificlife.com. You can also visit the SEC’s website at www.sec.gov, which contains the SAI, material incorporated into this Prospectus by reference, and other information about registrants that file electronically with the SEC.

This Contract is not available in all states. This Prospectus is not an offer in any state or jurisdiction where we are not legally permitted to offer the Contract. The Contract is described in detail in this Prospectus and its SAI. A Fund is described in its Prospectus and its SAI. No one has the right to describe the Contract or a Fund any differently than they have been described in these documents.

You should be aware that the SEC has not approved or disapproved of the securities or passed upon the accuracy or adequacy of the disclosure in this Prospectus. Any representation to the contrary is a criminal offense.

This material is not intended to be used, nor can it be used by any taxpayer, for the purpose of avoiding U.S. federal, state or local tax penalties. Pacific Life, its distributors and their respective representatives do not provide tax, accounting or legal advice. Any taxpayer should seek advice based on the taxpayer’s particular circumstances from an independent tax advisor.

This Contract is not a deposit or obligation of, or guaranteed or endorsed by, any bank. It’s not federally insured by the Federal Deposit Insurance Corporation (FDIC), the Federal Reserve Board, or any other government agency. Investment in a Contract involves risk, including possible loss of principal.

TERMS USED IN THIS PROSPECTUS

Some of the terms we've used in this Prospectus may be new to you. We've identified them in the Prospectus by capitalizing the first letter of each word. You will find an explanation of what they mean below.

If you have any questions, please ask your financial advisor or call us at (800) 722-4448. Financial advisors may call us at (800) 722-2333.

Account Value – The amount of your Contract Value allocated to a specified Variable Investment Option or any fixed option.

Annual Fee – A \$30.00 fee charged each year on your Contract Anniversary and at the time of a full withdrawal if your Net Contract Value is less than \$50,000 on that date.

Annuitant – A person on whose life annuity payments may be determined. An Annuitant's life may also be used to determine certain increases in death benefits, and to determine the Annuity Date. A Contract may name a single ("sole") Annuitant or two ("Joint") Annuitants, and may also name a "Contingent" Annuitant. If you name Joint Annuitants or a Contingent Annuitant, "the Annuitant" means the sole surviving Annuitant, unless otherwise stated.

Annuity Date – The date specified in your Contract, or the date you later elect, if any, for the start of annuity payments if the Annuitant (or Joint Annuitants) is (or are) still living and your Contract is in force; or if earlier, the date that annuity payments actually begin.

Annuity Option – Any one of the income options available for a series of payments after your Annuity Date.

Beneficiary – A person who may have a right to receive the death benefit payable upon the death of the Annuitant or a Contract Owner prior to the Annuity Date, or may have a right to receive remaining guaranteed annuity payments, if any, if the Annuitant dies after the Annuity Date.

Business Day – Any day on which the value of an amount invested in a Variable Investment Option is required to be determined, which currently includes each day that the New York Stock Exchange is open for trading, an applicable underlying Fund Portfolio is open for trading, and our administrative offices are open. The New York Stock Exchange and our administrative offices are closed on weekends and on the following holidays: New Year's Day, Martin Luther King Jr. Day, President's Day, Good Friday, Memorial Day, July Fourth, Labor Day, Thanksgiving Day and Christmas Day, and the Friday before New Year's Day, July Fourth or Christmas Day if that holiday falls on a Saturday, the Monday following New Year's Day, July Fourth or Christmas Day if that holiday falls on a Sunday, unless unusual business conditions exist, such as the ending of a monthly or yearly accounting period. An underlying Fund Portfolio may be closed when other federal holidays are observed such as Columbus Day and Veterans Day. See the underlying Fund Portfolio prospectus. In this Prospectus, "day" or "date" means Business Day unless otherwise specified. If any transaction or event called for under a Contract is scheduled to occur on a day that is not a Business Day, such transaction or event will be deemed to occur on the next following Business

Day unless otherwise specified. Any systematic pre-authorized transaction scheduled to occur on December 30 or December 31 where that day is not a Business Day will be deemed an order for the last Business Day of the calendar year and will be calculated using the applicable Subaccount Unit Value at the close of that Business Day. Special circumstances such as leap years and months with fewer than 31 days are discussed in the SAI.

Code – The Internal Revenue Code of 1986, as amended.

Contingent Annuitant – A person, if named in your Contract, who will become your sole surviving Annuitant if your existing sole Annuitant should die before your Annuity Date.

Contingent Owner – A person, if named in your Contract, who will succeed to the rights as a Contract Owner of your Contract if all named Contract Owners die before your Annuity Date.

Contract Anniversary – The same date, in each subsequent year, as your Contract Date.

Contract Date – The date we issue your Contract. Contract Years, Contract Anniversaries, Contract Semi-Annual Periods, Contract Quarters and Contract Months are measured from this date.

Contract Debt – As of the end of any given Business Day, the principal amount you have outstanding on any loan under your Contract, plus any accrued and unpaid interest. Loans are only available on certain Qualified Contracts.

Contract Owner, Owner, Policyholder, you, or your – Generally, a person who purchases a Contract and makes the Investments. A Contract Owner has all rights in the Contract, including the right to make withdrawals, designate and change beneficiaries, transfer amounts among Investment Options, and designate an Annuity Option. If your Contract names Joint Owners, both Joint Owners are Contract Owners and share all such rights.

Contract Value – As of the end of any Business Day, the sum of your Variable Account Value, any fixed option value, the value of any other Investment Option added to the Contract by Rider or Endorsement, and any Loan Account Value.

Contract Year – A year that starts on the Contract Date or on a Contract Anniversary.

Earnings – As of the end of any Business Day, your Earnings equal your Contract Value less your aggregate Purchase Payments, which are reduced by withdrawals of prior Investments.

Fixed Option – If you allocate all or part of your Investments or Contract Value to the Fixed Option, such amounts are held in our General Account and receive the Guaranteed Interest Rate declared periodically, but not less than an annual rate of 3%.

Fixed Option Value – The aggregate amount of your Contract Value allocated to the Fixed Option.

Fund – Refers to the American Funds Insurance Series, Fidelity® Variable Insurance Products Fund and/or Pacific Select Fund.

General Account – Our General Account consists of all of our assets other than those assets allocated to Separate Account B or to any of our other separate accounts.

Guarantee Term – The period during which an amount you allocate to any available fixed option earns interest at a Guaranteed Interest Rate.

Guaranteed Interest Rate – The interest rate guaranteed at the time of allocation (or rollover) for the Guarantee Term on amounts allocated to a fixed option. All Guaranteed Interest Rates are expressed as annual rates and interest is accrued daily. The rate will not be less than the minimum guaranteed interest rate specified in your Contract.

In Proper Form – This is the standard we apply when we determine whether an instruction is satisfactory to us. An instruction (in writing or by other means that we accept (*e.g.* via telephone or electronic submission)) is considered to be in proper form if it is received at our Service Center in a manner that is satisfactory to us, such that is sufficiently complete and clear so that we do not have to exercise any discretion to follow the instruction, including any information and supporting legal documentation necessary to effect the transaction. Any forms that we provide will identify any necessary supporting documentation. We may, in our sole discretion, determine whether any particular transaction request is in proper form, and we reserve the right to change or waive any in proper form requirements at any time.

Investment (“Purchase Payment”) – An amount paid to us by or on behalf of a Contract Owner as consideration for the benefits provided under the Contract.

Investment Option – A Subaccount, any fixed option or any other Investment Option added to the Contract by Rider or Endorsement.

Joint Annuitant – If your Contract is a Non-Qualified Contract, you may name two Annuitants, called “Joint Annuitants,” in your application for your Contract. Special restrictions may apply for Qualified Contracts.

Loan Account – The account in which the amount equal to the principal amount of a loan and any interest accrued is held to secure any Contract Debt.

Loan Account Value – The amount, including any interest accrued, held in the Loan Account to secure any Contract Debt.

Net Contract Value – Your Contract Value less Contract Debt.

Non-Qualified Contract – A Contract other than a Qualified Contract.

Policyholder – The Contract Owner.

Portfolio – A separate portfolio of a Fund in which a Subaccount invests its assets.

Primary Annuitant – The individual that is named in your Contract, the events in the life of whom are of primary importance in affecting the timing or amount of the payout under the Contract.

Purchase Payment (“Investment”) – An amount paid to us by or on behalf of a Contract Owner as consideration for the benefits provided under the Contract.

Qualified Contract – A Contract that qualifies under the Code as an individual retirement annuity or account (IRA), or form thereof, or a Contract purchased by a Qualified Plan, qualifying for special tax treatment under the Code.

Qualified Plan – A retirement plan that receives favorable tax treatment under Section 401, 403, 408, 408A or 457 of the Code.

SEC – Securities and Exchange Commission.

Separate Account B (the “Separate Account”) – A separate account of ours registered as a unit investment trust under the Investment Company Act of 1940, as amended (the “1940 Act”).

Subaccount – An investment division of the Separate Account. Each Subaccount invests its assets in shares of a corresponding Portfolio.

Subaccount Annuity Unit – Subaccount Annuity Units (or “Annuity Units”) are used to measure variation in variable annuity payments. To the extent you elect to convert all or some of your Contract Value into variable annuity payments, the amount of each annuity payment (after the first payment) will vary with the value and number of Annuity Units in each Subaccount attributed to any variable annuity payments. At annuitization (after any applicable premium taxes and/or other taxes are paid), the amount annuitized to a variable annuity determines the amount of your first variable annuity payment and the number of Annuity Units credited to your annuity in each Subaccount. The value of Subaccount Annuity Units, like the value of Subaccount Units, is expected to fluctuate daily, as described in the definition of Unit Value.

Subaccount Unit – Before your Annuity Date, each time you allocate an amount to a Subaccount, your Contract is credited with a number of Subaccount Units in that Subaccount. These Units are used for accounting purposes to measure your Account Value in that Subaccount. The value of Subaccount Units is expected to fluctuate daily, as described in the definition of Unit Value.

Unit Value – The value of a Subaccount Unit (“Subaccount Unit Value”) or Subaccount Annuity Unit (“Subaccount Annuity Unit Value”). Unit Value of any Subaccount is subject to change on any Business Day in much the same way that the value of a mutual fund share changes each day. The fluctuations in value reflect the investment results, expenses of and charges against the Portfolio in which the Subaccount invests its assets. Fluctuations also reflect charges against the Separate Account. Changes in Subaccount Annuity Unit Values also reflect an additional factor that adjusts Subaccount Annuity Unit Values to offset our Annuity Option Table’s implicit assumption of an annual investment return of 5%. The effect of this assumed investment return is explained in detail in the SAI. Unit Value of a Subaccount Unit or Subaccount Annuity Unit on any Business Day is measured as of the close of the New York Stock Exchange on that Business Day, which usually closes at 4:00 p.m., Eastern time, although it occasionally closes earlier.

Variable Account Value – The aggregate amount of your Contract Value allocated to all Subaccounts.

Variable Investment Option – A Subaccount (also called a Variable Account).

OVERVIEW

This overview tells you some key things you should know about your Contract. It's designed as a summary only – please read this Prospectus, your Contract and the Statement of Additional Information (SAI) for more detailed information.

Certain Contract features described in this Prospectus may vary or may not be available in your state. The state in which your Contract is issued governs whether or not certain features, Riders, charges or fees are allowed or will vary under your Contract. These variations are reflected in your Contract and in Riders or Endorsements to your Contract. See your financial advisor or contact us for specific information that may be applicable to your state. See **ADDITIONAL INFORMATION – State Considerations**. This prospectus provides a description of the material rights and obligations under the Contract. **Any guarantees provided for under your Contract or through optional Riders are backed by Pacific Life's financial strength and claims-paying ability. You must look to the strength of the insurance company with regard to such guarantees. Your financial advisor or financial advisor's firm is not responsible for any Contract guarantees.**

Some of the Terms used in this Prospectus may be new to you. You will find a glossary of certain terms in the **TERMS USED IN THIS PROSPECTUS** section.

Pacific Life is a variable annuity provider. It is not a fiduciary and therefore does not give advice or make recommendations regarding insurance or investment products.

Contract Basics

An annuity contract may be appropriate if you are looking for retirement income or you want to meet other long-term financial objectives. Discuss with your financial advisor whether a variable annuity, optional benefits and which underlying Investment Options are appropriate for you, taking into consideration your age, income, net worth, tax status, insurance needs, financial objectives, investment goals, liquidity needs, time horizon, risk tolerance and other relevant information. Together you can decide if a variable annuity is right for you.

This Contract may not be the right one for you if you need to withdraw money for short-term needs, because withdrawal charges and tax penalties for early withdrawal may apply.

You should consider the Contract's investment and income benefits, as well as its costs.

This Contract is an annuity contract between you and Pacific Life. Annuity contracts have two phases, the accumulation phase and the annuitization phase. The two phases are discussed below.

This Contract is designed for long-term financial planning. It allows you to invest money on a tax-deferred basis for retirement or other goals, and/or to receive income in a variety of ways, including a series of income payments for life or for a specified period of years.

Non-Qualified and Qualified Contracts are available. You buy a Qualified Contract under a qualified retirement or pension plan, or some form of an individual retirement annuity or account (IRA). It is important to know that IRAs and qualified plans are already tax-deferred which means the tax deferral feature of a variable annuity does not provide a benefit in addition to that already offered by an IRA or qualified plan. An annuity contract should only be used to fund an IRA or qualified plan to benefit from the annuity's features other than tax deferral.

This Contract is a variable annuity, which means that your Contract Value fluctuates depending on the performance of the Investment Options you choose. The Contract allows you to choose how often you make Investments ("Purchase Payments") and how much you add each time, subject to certain limitations.

Your Right to Cancel ("Free Look")

During the Free Look period, you have the right to cancel your Contract and return it with instructions to us or to your financial advisor for a refund. The amount refunded may be more or less than the Purchase Payments you have made and the length of the Free Look period may vary, depending on the state where you signed your application, the type of Contract you purchased, and whether the Contract replaced another annuity contract or life insurance policy. You will find a complete description of the Free Look period that applies to your Contract on the Contract's cover sheet.

*For more information about the Right to Cancel ("Free Look") period see **WITHDRAWALS – Right to Cancel ("Free Look")**.*

The Accumulation Phase

The Investment Options you choose and how they perform will affect your Contract Value during the accumulation phase, as well as the amount available to annuitize on the Annuity Date.

The accumulation phase begins on your Contract Date and continues until your Annuity Date. During the accumulation phase, you can put money in your Contract by making Purchase Payments subject to certain limitations, and choose Investment Options in which to allocate them. You can also take money out of your Contract by making a withdrawal.

Investments (“Purchase Payments”)

Your initial Purchase Payment must be at least \$5,000 for a Non-Qualified Contract and at least \$2,000 for a Qualified Contract. Additional Purchase Payments must be at least \$100 for a Non-Qualified Contract and \$50 for a Qualified Contract. Currently, we are not enforcing the minimum initial Purchase Payment on Qualified Contracts or the minimum additional Purchase Payment amounts on Qualified and Non-Qualified Contracts, but we reserve the right to enforce such minimums in the future. We will provide at least a 30 calendar day prior notice before we enforce the minimum initial Purchase Payment or the minimum additional Purchase Payment amounts.

*For more information about Making Your Investments (“Purchase Payments”) see **PURCHASING YOUR CONTRACT – Making Your Investments (“Purchase Payments”)**.*

Investment Options

Ask your financial advisor to help you choose the right Investment Options for your goals and risk tolerance. Any financial firm or financial advisor you engage to provide advice and/or make transfers for you is not acting on our behalf. We are not responsible for any investment decisions or allocations you make, recommendations such financial advisors make or any allocations or specific transfers they choose to make on your behalf. Some broker-dealers may not allow or may limit the amount you may allocate to certain Investment Options.

You can choose from a selection of Variable Investment Options (also called Subaccounts), each of which invests in a corresponding Fund Portfolio. The value of each Portfolio will fluctuate with the value of the investments it holds, and returns are not guaranteed.

You can also choose any available fixed option that earns a guaranteed rate of interest that will never be less than the minimum guaranteed interest rate specified in your Contract.

We allocate your Purchase Payments to the Investment Options you choose. Your Contract Value will fluctuate during the accumulation phase depending on the Investment Options you have chosen. You bear the investment risk of any Variable Investment Options you choose.

*For more information about the Investment Options and the corresponding Investment Adviser see **YOUR INVESTMENT OPTIONS – Your Variable Investment Options**.*

Transferring Among Investment Options

You can transfer among Investment Options any time, subject to certain limitations, until your Annuity Date without paying any current income tax.

- Transfers are limited to 25 for each calendar year. If you have used all 25 transfers in a calendar year, you may make 1 additional transfer of all or a portion of your Variable Account Value to the Fidelity® VIP Government Money Market Portfolio Investment Option before the start of the next calendar year.
- Only 2 transfers into or out of each of the following Investment Options may occur in any calendar month:

American Funds IS Asset
Allocation Fund

American Funds IS Growth
Fund

American Funds IS Growth-
Income Fund

For example, if you transfer from the American Funds IS Growth Fund to the American Funds IS Growth-Income Fund, that counts as one transfer for each Investment Option. Only one more transfer involving those two Investment Options can occur during the calendar month. If you later transfer from the American Funds IS Growth Fund to the American Funds IS Asset Allocation Fund, that would be the second transfer in the calendar month involving the American Funds IS Growth Fund and that Investment Option is no longer available for the remainder of the calendar month. All other Investment Options listed above would still be available to transfer into or out of for the remainder of the calendar month.

- Transfers to or from a Variable Investment Option cannot be made before the seventh calendar day following the last transfer to or from the same Variable Investment Option. If the seventh calendar day is not a Business Day, then a transfer may not occur until the next Business Day. The day of the last transfer is not considered a calendar day for purposes of meeting this requirement. Transfers to or from the Fidelity® VIP Government Money Market Variable Investment Option are excluded from this limitation.

You can also make systematic transfers by enrolling in our dollar cost averaging, portfolio rebalancing, or earnings sweep programs. Transfers made under these systematic transfer programs are excluded from these limitations. Some restrictions may apply to transfers to or from any fixed option.

*For more information about transfers and transfer limitations see **HOW YOUR PURCHASE PAYMENTS ARE ALLOCATED – Transfers and Market-timing Restrictions.***

Withdrawals

You can make full and partial withdrawals to supplement your income or for other purposes. You can withdraw a certain amount each year without paying a withdrawal charge, but any amount withdrawn in excess of this amount may incur a withdrawal charge on Purchase Payments that are less than 6 years old. Some restrictions may apply to making partial withdrawals from any fixed option.

In general, you may have to pay income taxes on withdrawals or other distributions from your Contract. If you are under age 59½, a 10% federal tax penalty may also apply to taxable withdrawals.

*For more information about withdrawals and withdrawal minimums see **WITHDRAWALS – Optional Withdrawals.***

The Annuitization Phase

The annuitization phase of your Contract begins on your Annuity Date. Generally, you can choose to surrender your Contract and receive a single payment or you can annuitize your Contract and receive a series of income payments over a fixed period or for life.

You can choose fixed or variable annuity payments, or a combination of both. Variable annuity payments may not be available in all states. You can choose monthly, quarterly, semi-annual or annual payments. We will make the income payments to you or your designated payee. The Owner is responsible for any tax consequences of any annuity payments.

If you choose variable annuity payments, the amount of the payments will fluctuate depending on the performance of the Variable Investment Options you choose. After your Annuity Date, if you choose variable annuity payments, you can exchange your Subaccount Annuity Units among the Variable Investment Options up to 4 times in any 12-month period.

*For more information about annuitization see **ANNUITIZATION** and for annuity options available under the Contract see **ANNUITIZATION – Choosing Your Annuity Option – Annuity Options.***

The Death Benefit

Generally, the Contract provides a death payout upon the first death of an Owner or the death of the sole surviving Annuitant, whichever occurs first, during the accumulation phase. Death benefit proceeds are payable when we receive proof of death and payment instructions In Proper Form. To whom we pay a death benefit, and how we calculate the death benefit amount depends on who dies first and the type of Contract you own.

*For more information about the death benefit see **DEATH BENEFITS - Death Benefits.***

Fees and Expenses

This section of the overview explains the fees and expenses that you will pay when buying, owning and surrendering your Contract.

Contract Transaction Expenses

The following describes the transaction fees and expenses that you may pay when you make withdrawals or surrender your Contract. Expenses are fixed under the terms of your Contract. Premium taxes and/or other taxes may also apply to your Contract. We generally charge state premium taxes and/or other taxes when you annuitize your Contract, but there are other times when we charge them to your Contract instead. Please see your Contract for details.

- Maximum Withdrawal Charge (as a percentage of Purchase Payments withdrawn)¹

“Age” of Payment in Years:	1	2	3	4	5	6 or more
Withdrawal Charge Percentage:	7%	6%	5%	3%	1%	0%

- Loan administration fee (currently waived)² \$500.00

Periodic Expenses

The following describes the fees and expenses that you will pay periodically during the time you own your Contract not including Portfolio fees and expenses.

- Annual Fee³ \$30.00

Separate Account B Annual Expenses (as a percentage of the average daily Variable Account Value⁴):

• Mortality and Expense Risk Charge ⁵	1.25%
• Administrative Fee ⁵	0.15%
• Total Separate Account B Annual Expenses	<u>1.40%</u>

The Mortality and Expense Risk Charge and the Administrative Fee will not continue after the Annuity Date if fixed annuity payments are elected. If variable annuity payments are elected, both charges will continue after the Annuity Date. For more information about these charges, please see the **CHARGES, FEES AND DEDUCTIONS - Mortality and Expense Risk Charge** and **Administrative Fee** sections.

Loan Expenses (interest on Contract Debt) (Loans are only available with certain Qualified Contracts. See **FEDERAL TAX ISSUES – Qualified Contracts – General Rules – Loans**):

- Loan Interest Rate (net)⁶ 2.00%

¹ The withdrawal charge may or may not apply or may be reduced under certain circumstances. The age is measured from the date of each Purchase Payment. For situations where a withdrawal charge may not apply, see **CHARGES, FEES AND DEDUCTIONS** and see **WITHDRAWALS – Withdrawals Free of a Withdrawal Charge** for situations where the withdrawal charge amount may be reduced.

² The loan administration fee is currently waived. In the future, we may charge an administrative fee up to \$500. See **LOANS**.

³ We deduct an Annual Fee on each Contract Anniversary up to your Annuity Date and when you make a full withdrawal if the Contract Value on these days is less than \$50,000 after deducting any outstanding loan and interest (your Net Contract Value). See **CHARGES, FEES AND DEDUCTIONS**.

⁴ The Variable Account Value is the value of your Variable Investment Options on any Business Day.

⁵ This is an annual rate and is assessed on a daily basis. The daily rate is calculated by dividing the annual rate by 365.

⁶ If we process a loan on your Contract, we will charge you a gross interest rate of 5% on your outstanding principal amount. We will credit you the amount of 3% on any Contract Value attributed to your Loan Account. The net amount of interest you pay on your loan will be 2% annually. See **FEDERAL TAX ISSUES – Qualified Contracts – General Rules – Loans**.

Total Annual Fund Operating Expenses

For more about the underlying Funds see **YOUR INVESTMENT OPTIONS – Your Variable Investment Options**, and see each underlying Fund Prospectus.

This table shows the minimum and maximum total annual operating expenses incurred by the Portfolios that you indirectly pay during the time you own the Contract. This table shows the range (minimum and maximum) of fees and expenses (including management fees, shareholder servicing and/or distribution (12b-1) fees, and other expenses) charged by any of the Portfolios, expressed as an annual percentage of average daily net assets. The amounts are based on expenses paid in the year ended December 31, 2017, adjusted to reflect anticipated changes in fees and expenses, or, for new Portfolios, are based on estimates for the current fiscal year.

Each Variable Account of the Separate Account purchases shares of the corresponding Fund Portfolio at net asset value. The net asset value reflects the investment advisory fees and other expenses that are deducted from the assets of the Portfolio. The advisory fees and other expenses are not fixed or specified under the terms of the Contract, and they may vary from year to year. These fees and expenses are described in each Fund Prospectus.

	Minimum	Maximum
Range of total annual portfolio operating expenses <u>before</u> any waivers or expense reimbursements	0.28%	2.07%
Range of total annual portfolio operating expenses <u>after</u> any waivers or expense reimbursements	0.28%	2.07%

To help limit Fund expenses, Fund advisers have contractually agreed to reduce investment advisory fees or otherwise reimburse certain Portfolios of their respective Funds which may reduce the Portfolio's expenses. The range of expenses in the first row above does not include the effect of any waiver and/or expense reimbursement arrangement. The range of expenses in the second row above includes the effect of Fund waiver and/or expense reimbursement arrangements that are in effect. The waiver and/or reimbursement arrangements vary in length. There can be no assurance that Fund expense waivers or reimbursements will be extended beyond their current terms as outlined in each Fund prospectus, and they may not cover certain expenses such as extraordinary expenses. **See each Fund prospectus for complete information regarding annual operating expenses and any waivers or reimbursements in effect for a particular Fund.**

Examples

The following examples are intended to help you compare the cost of investing in your Contract with the cost of investing in other variable annuity contracts. The maximum amounts reflected below include the maximum periodic Contract expenses, Separate Account annual expenses and the Portfolio with the highest fees and expenses for the year ended December 31, 2017. The minimum amounts reflected below include the periodic Contract expenses, Separate Account annual expenses and the Portfolio with the lowest fees and expenses for the year ended December 31, 2017.

The examples assume that you invest \$10,000 in the Contract for the time periods indicated. They also assume that your Purchase Payment has a 5% return each year and assumes the maximum and minimum fees and expenses of all of the Investment Options available. Although your actual costs may be higher or lower, based on these assumptions, your maximum and minimum costs would be:

- If you surrendered your Contract:

	1 Year	3 Years	5 Years	10 Years
Maximum	\$1,010	\$1,602	\$2,032	\$3,998
Minimum	\$831	\$1,068	\$1,147	\$2,262

- If you annuitized your Contract:

	1 Year	3 Years	5 Years	10 Years
Maximum	\$1,010	\$1,152	\$1,942	\$3,998
Minimum	\$831	\$618	\$1,057	\$2,262

- If you did not surrender, annuitize, but left your money in your Contract:

	1 Year	3 Years	5 Years	10 Years
Maximum	\$380	\$1,152	\$1,942	\$3,998
Minimum	\$201	\$618	\$1,057	\$2,262

In calculating the examples above, we used the maximum and minimum total operating expenses of all the Portfolios as shown in the **Fees And Expenses** section of each Fund Prospectus. For more information on Contract fees and expenses, see **CHARGES, FEES AND DEDUCTIONS** in this Prospectus, and see each Fund Prospectus. See the **FINANCIAL HIGHLIGHTS (Condensed Financial Information)** appendix in this Prospectus for condensed financial information about the Subaccounts.

YOUR INVESTMENT OPTIONS

Some broker-dealers may not allow or may limit the amount you may allocate to certain Investment Options. Work with your financial advisor to help you choose the right Investment Options for your investment goals and risk tolerance.

You may choose among the different Variable Investment Options and the Fixed Option.

Your Variable Investment Options

Each Variable Investment Option invests in a separate Fund Portfolio. For your convenience, the following chart summarizes some basic data about each Portfolio. **This chart is only a summary. For more complete information on each Portfolio, including a discussion of the Portfolio's investment techniques and the risks associated with its investments, see the applicable Fund Prospectus. No assurance can be given that a Portfolio will achieve its investment objective. YOU SHOULD READ EACH FUND PROSPECTUS CAREFULLY BEFORE INVESTING.**

AMERICAN FUNDS INSURANCE SERIES	INVESTMENT GOAL	MANAGER

Small-Cap Value Portfolio	Seeks long-term growth of capital.	AllianceBernstein L.P.

The Investment Adviser

Capital Research and Management CompanySM is the investment adviser of the American Funds Insurance Series.

Fidelity Management & Research Co., Inc. is the investment adviser for the Fidelity[®] Variable Insurance Products Funds.

Pacific Life Fund Advisors LLC (PLFA), a subsidiary of Pacific Life Insurance Company, is the investment adviser for the Pacific Select Fund. PLFA and the Pacific Select Fund's Board of Trustees oversee the management of all the Pacific Select Fund's Portfolios, and PLFA also manages certain portfolios directly. PLFA also does business under the name "Pacific Asset Management" and manages certain Pacific Select Fund Portfolios under that name.

Your Fixed Option

The fixed option offers you a guaranteed minimum interest rate on amounts that you allocate to this option. Amounts you allocate to this option, and your earnings credited are held in our General Account. For more detailed information about this option, see **THE GENERAL ACCOUNT**.

PURCHASING YOUR CONTRACT

How to Apply for Your Contract

To purchase a Contract, you must work with your financial advisor to fill out an application and submit it along with your initial Purchase Payment to Pacific Life Insurance Company at P.O. Box 2290, Omaha, Nebraska 68103-2290. In those instances when we receive electronic transmission of the information on the application from your financial advisor's broker-dealer firm and our administrative procedures with your broker-dealer so provide, we consider the application to be received on the Business Day we receive the transmission. If your application and Purchase Payment are complete when received, or once they have become complete, we will issue your Contract within 2 Business Days. If some information is missing from your application, we may delay issuing your Contract while we obtain the missing information. However, we will not hold your initial Purchase Payment for more than 5 Business Days without your permission. In any case, we will not hold your initial Purchase Payment after 20 Business Days.

You may also purchase a Contract by exchanging your existing annuity. Call your financial advisor or call us at (800) 722-4448 if you are interested in this option. Financial advisors may call us at (800) 722-2333.

We reserve the right to reject any application or Purchase Payment for any reason, subject to any applicable nondiscrimination laws and to our own standards and guidelines. On your application, you must provide us with a valid U.S. tax identification number for federal, state, and local tax reporting purposes.

The maximum age of a Contract Owner/Annuitant, including Joint and Contingent Owners/Annuitants, for which a Contract will be issued is 85. The Contract Owner's age is calculated as of his or her last birthday. If any Contract Owner or any sole Annuitant named in the application for a Contract dies and we are notified of the death before we issue the Contract, then we will return the amount we received. If we issue the Contract and are subsequently notified after issuance that the death occurred prior to issue, then the application for the Contract and/or any Contract issued will be deemed cancelled and a refund will be issued. The refund amount will be the Contract Value based upon the next determined Accumulated Unit Value (AUV) after we receive proof of death, In Proper Form, of the Contract Owner or Annuitant, plus a refund of any amount used to pay premium taxes and/or any other taxes. Any refunded assets may be subject to probate.

Making Your Investments ("Purchase Payments")

Making Your Initial Purchase Payment

Your initial Purchase Payment must be at least \$5,000 for a Non-Qualified Contract and at least \$2,000 for a Qualified Contract. Currently, we are not enforcing the minimum initial Purchase Payment on Qualified Contracts but we reserve the right to enforce the minimum initial Purchase Payment on Qualified Contracts in the future. We will provide at least a 30 calendar day prior notice before we enforce the minimum initial Purchase Payment on Qualified Contracts. For Non-Qualified Contracts, if the entire minimum initial Purchase Payment is not included when you submit your application, you must establish a pre-authorized investment program. A pre-authorized investment program allows you to pay the remainder of the required initial Purchase Payment in equal installments over the first Contract Year. Further requirements for the pre-authorized investment program are discussed in the Pre-Authorized Investment Request form.

You must obtain our consent before making an initial or additional Purchase Payment that will bring your aggregate Purchase Payments over \$1,000,000. If you allocate all or part of your Account Value to the Fixed Option, the maximum aggregate Account Value you may allocate to the Fixed Option is currently \$250,000. If there are multiple Contracts of this variable annuity product with the same Owner or entity as Owner, the Contracts are aggregated to determine whether the maximum aggregate Contract Value in the Fixed Account across all Contracts has been, or will be, reached. This limitation is subject to change at any time. Ask your financial advisor about current limitations.

Making Additional Purchase Payments

If your Contract is Non-Qualified, you may choose to invest additional amounts in your Contract at any time. If your Contract is Qualified, the method of contribution and contribution limits may be restricted by the Qualified Plan or the Internal Revenue Code ("the Code"). Each additional Purchase Payment must be at least \$100 for a Non-Qualified Contract and \$50 for a Qualified Contract. Currently, we are not enforcing the minimum additional Purchase Payment amounts but we reserve the right to enforce the minimum additional Purchase Payment amounts in the future. We will provide at least a 30 calendar day prior notice before we enforce the minimum additional Purchase Payment amounts. Additional Purchase Payments will be allocated according to the instructions we have on file unless we receive specific allocation instructions.

Forms of Purchase Payment

Your initial and additional Purchase Payments may be sent by personal or bank check or by wire transfer. Purchase Payments must be made in a form acceptable to us before we can process it. Acceptable forms of Purchase Payments are:

- personal checks or cashier's checks drawn on a U.S. bank,
- money orders and traveler's checks in single denominations of more than \$10,000 if they originate in a U.S. bank,
- third party payments when there is a clear connection of the third party to the underlying transaction, and

- wire transfers that originate in U.S. banks.

We will not accept Purchase Payments in the following forms:

- cash,
- credit cards or checks drawn against a credit card account,
- money orders or traveler’s checks in single denominations of \$10,000 or less,
- starter checks,
- home equity checks,
- eChecks,
- cashier’s checks, money orders, traveler’s checks or personal checks drawn on non-U.S. banks, even if the payment may be effected through a U.S. bank,
- third party payments if there is not a clear connection of the third party to the underlying transaction, and
- wire transfers that originate from foreign bank accounts.

All unacceptable forms of Purchase Payments will be returned to the payor along with a letter of explanation. We reserve the right to reject or accept any form of payment. Any unacceptable Purchase Payment inadvertently invested may be returned and the amount returned may be more or less than the amount submitted. If you make Purchase Payments by check other than a cashier’s check, your payment of any withdrawal proceeds and any refund during the “Right to Cancel” period may be delayed until we receive confirmation in our Annuities administrative office that your check has cleared.

HOW YOUR PURCHASE PAYMENTS ARE ALLOCATED

Choosing Your Investment Options

You may allocate your Purchase Payments among any of the available Investment Options. Allocations of your initial Purchase Payment to the Investment Options you selected will be effective on your Contract Date. Each additional Purchase Payment will be allocated to the Investment Options according to your allocation instructions in your application, or most recent instructions, if any, subject to the terms described in **WITHDRAWALS – Right to Cancel (“Free Look”)**. We reserve the right to require that your allocation to any particular Investment Option must be at least \$500. We also reserve the right to transfer any remaining Account Value that is not at least \$500 to your other Investment Options on a pro rata basis relative to your most recent allocation instructions.

If your Contract is issued in exchange for another annuity contract or a life insurance policy, our administrative procedures may vary depending on the state in which your Contract is delivered.

Investing in Variable Investment Options

Each time you allocate your Purchase Payment to a Variable Investment Option, your Contract is credited with a number of “Subaccount Units” in that Subaccount. The number of Subaccount Units credited is equal to the amount you have allocated to that Subaccount, divided by the “Unit Value” of one Unit of that Subaccount.

Example: You allocate \$600 to Subaccount A. At the end of the Business Day on which your allocation is effective, the value of one Unit in Subaccount A is \$15. As a result, 40 Subaccount Units are credited to your Contract for your \$600 ($\$600 / \$15 = 40$).

Your Variable Account Value Will Change

After we credit your Contract with Subaccount Units, the value of those Units will usually fluctuate. This means that, from time to time, your Purchase Payments allocated to the Variable Investment Options may be worth more or less than the original Purchase Payments to which those amounts can be attributed. Fluctuations in Subaccount Unit Value will not change the number of Units credited to your Contract.

Subaccount Unit Values will vary in accordance with the investment performance of the corresponding Portfolio. For example, the value of Units in Subaccount A will change to reflect the performance of the corresponding Portfolio (including that Portfolio’s investment income, its capital gains and losses, and its expenses). Subaccount Unit Values are also adjusted to reflect the Administrative Fee and applicable Risk Charge imposed on the Separate Account.

We calculate the value of all Subaccount Units on each Business Day.

Calculating Subaccount Unit Values

We calculate the Unit Value of the Subaccount Units in each Variable Investment Option at the close of the New York Stock Exchange which usually closes at 4:00 p.m. Eastern Time on each Business Day. At the end of each Business Day, the Unit Value for a Subaccount is equal to:

$$Y \times Z$$

where (Y) = the Unit Value for that Subaccount as of the end of the preceding Business Day; and

(Z) = the Net Investment Factor for that Subaccount for the period (a “valuation period”) between that Business Day and the immediately preceding Business Day.

The “Net Investment Factor” for a Subaccount for any valuation period is equal to:

$$(A \div B) - C$$

where (A) = the “per share value of the assets” of that Subaccount as of the end of that valuation period, which is equal to: a + b + c

(a) = the net asset value per share of the corresponding Portfolio shares held by that Subaccount as of the end of that valuation period;

(b) = the per share amount of any dividend or capital gain distributions made by each Fund for that Portfolio during that valuation period; and

(c) = any per share charge (a negative number) or credit (a positive number) for any income taxes and/or any other taxes or other amounts set aside during that valuation period as a reserve for any income and/or any other taxes which we determine to have resulted from the operations of the Subaccount or Contract, and/or any taxes attributable, directly or indirectly, to Purchase Payments;

(B) = the net asset value per share of the corresponding Portfolio shares held by the Subaccount as of the end of the preceding valuation period; and

(C) = a factor that assesses against the Subaccount net assets for each calendar day in the valuation period the Risk Charge plus the Administrative Fee and any applicable increase in the Risk Charge (see **CHARGES, FEES AND DEDUCTIONS**).

The Subaccount Unit Value may increase or decrease from one valuation period to another. For Subaccount Unit Values please go to www.PacificLife.com.

When Your Purchase Payment is Effective

Your initial Purchase Payment is effective on the Business Day we issue your Contract. Any additional Purchase Payment is effective on the Business Day we receive it In Proper Form. See **ADDITIONAL INFORMATION – Inquiries and Submitting Forms and Requests**.

The day your Purchase Payment is effective determines the Unit Value at which Subaccount Units are attributed to your Contract. In the case of transfers or withdrawals, the effective day determines the Unit Value at which affected Subaccount Units are debited and/or credited under your Contract. That Unit Value is the value of the Subaccount Units next calculated after your transaction is effective. Your Variable Account Value begins to reflect the investment performance results of your new allocations on the day after your transaction is effective.

Transfers and Market-timing Restrictions

Transfers

Transfers are allowed 30 calendar days after the Contract Date. Currently, we are not enforcing this restriction but we reserve the right to enforce it in the future. We will provide at least a 30 calendar day prior notice before we enforce the 30 calendar day waiting period after the Contract Date. Once your Purchase Payments are allocated to the Investment Options you selected, you may transfer your Account Value less Loan Account Value from any Investment Option to any other Investment Option.

- Transfers are limited to 25 for each calendar year. If you have used all 25 transfers available to you in a calendar year, you may no longer make transfers between the Investment Options until the start of the next calendar year. However, you may make 1 transfer of all or a portion of the Account Value remaining in the Variable Investment Options into the Fidelity® VIP Government Money Market Investment Option prior to the start of the next calendar year.
- Only 2 transfers into or out of each of the following Investment Options may occur in any calendar month:

American Funds IS Asset
Allocation Fund

American Funds IS Growth
Fund

American Funds IS Growth-
Income Fund

For example, if you transfer from the American Funds IS Growth Fund to the American Funds IS Growth-Income Fund, that counts as one transfer for each Investment Option. Only one more transfer involving those two Investment Options can occur during the calendar month. If you later transfer from the American Funds IS Growth Fund to the American Funds IS Asset Allocation Fund, that would be the second transfer in the calendar month involving the American Funds IS Growth Fund and that Investment Option is no longer available for the remainder of the calendar month. All other Investment Options listed above would still be available to transfer into or out of for the remainder of the calendar month.

- Transfers to or from a Variable Investment Option cannot be made before the seventh calendar day following the last transfer to or from the same Variable Investment Option. If the seventh calendar day is not a Business Day, then a transfer may not occur until the next Business Day. The day of the last transfer is not considered a calendar day for purposes of meeting this requirement. For example, if you make a transfer into the Equity Index Variable Investment Option on Monday, you may not make any transfers to or from that Variable Investment Option before the following Monday. Transfers to or from the Fidelity® VIP Government Money Market Variable Investment Option or the Fixed Option (if available) are excluded from this limitation.

For the purpose of applying the limitations, multiple transfers that occur on the same calendar day are considered 1 transfer. A transfer of Account Value from the Loan Account back into your Investment Options following a loan repayment is not considered a transfer under these limitations. Transfers that occur as a result of the dollar cost averaging program, the portfolio rebalancing program, the earnings sweep program or approved corporate owned life insurance policy rebalancing programs are excluded from these limitations. Also, allocations of Purchase Payments are not subject to these limitations.

There are no exceptions to the above transfer limitations in the absence of an error by us, a substitution of Investment Options, or reorganization of underlying Portfolios, or other extraordinary circumstances.

If we deny a transfer request, we will notify you or your financial advisor immediately.

Certain restrictions apply to any available fixed option. See **THE GENERAL ACCOUNT**. Transfer requests are generally effective on the Business Day we receive them In Proper Form, unless you request a systematic transfer program with a future date.

We have the right, at our option (unless otherwise required by law), to require certain minimums in the future in connection with transfers. These may include a minimum transfer amount and a minimum Account Value, if any, for the Investment Option from which the transfer is made or to which the transfer is made. If your transfer request results in your having a remaining Account Value in an Investment Option that is less than \$500 immediately after such transfer, we may transfer that Account Value to your other Investment Options on a pro rata basis, relative to your most recent allocation instructions.

We reserve the right (unless otherwise required by law) to limit the size of transfers, to restrict transfers, to require that you submit any transfer requests in writing, to suspend transfers, and to impose further limits on the number and frequency of transfers you can make. We also reserve the right to reject any transfer request. Any policy we may establish with regard to the exercise of any of these rights will be applied uniformly to all Contract Owners.

Market-timing Restrictions

The Contract is not designed to serve as a vehicle for frequent trading in response to short-term fluctuations in the market. Accordingly, organizations or individuals that use market-timing investment strategies and make frequent transfers should not purchase the Contract. Such frequent trading can disrupt management of the underlying Portfolios and raise expenses. The transfer limitations set forth above are intended to reduce frequent trading. In addition, we monitor certain large transaction activity in an attempt to detect trading that may be disruptive to the Portfolios. In the event transfer activity is found to be disruptive, certain future transactions by such Contract Owners, or by a financial advisor or other party acting on behalf of one or more Contract Owners, will require preclearance. Frequent trading and large transactions that are disruptive to Portfolio management can have an adverse effect on Portfolio performance and therefore your Contract's performance. Such trading may also cause dilution in the value of the Investment Options held by long-term Contract Owners. While these issues can occur in connection with any of the underlying Portfolios, Portfolios holding securities that are subject to market pricing inefficiencies are more susceptible to abuse. For example, Portfolios holding international securities may be more susceptible to time-zone arbitrage which seeks to take advantage of pricing discrepancies occurring between the time of the closing of the market on which the security is traded and the time of pricing of the Portfolios.

Our policies and procedures which limit the number and frequency of transfers and which may impose preclearance requirements on certain large transactions are applied uniformly to all Contract Owners. However, there is a risk that these policies and procedures will not detect all potentially disruptive activity or will otherwise prove ineffective in whole or in part. Further, we and our affiliates make available to our variable annuity and variable life insurance Contract Owners underlying funds not affiliated with us. We are unable to monitor or restrict the trading activity with respect to shares of such funds not sold in connection with our Contracts. In the event the Board of Trustees/Directors of any underlying fund imposes a redemption fee or trading (transfer) limitations, we will pass them on to you.

We reserve the right to restrict, in our sole discretion and without prior notice, transfers initiated by a market timing organization or individual or other party authorized to give transfer instructions on behalf of multiple Contract Owners. Such restrictions could include:

- not accepting transfer instructions from a financial advisor acting on behalf of more than one Contract Owner, and
- not accepting preauthorized transfer forms from market timers or other entities acting on behalf of more than one Contract Owner at a time.

We further reserve the right to impose, without prior notice, restrictions on transfers that we determine, in our sole discretion, will disadvantage or potentially hurt the rights or interests of other Contract Owners; or to comply with any applicable federal and state laws, rules and regulations.

Exchanges of Annuity Units

Exchanges of Annuity Units in any Subaccount(s) to any other Subaccount(s) after the Annuity Date are limited to 4 in any 12-month period. For purposes of applying the limitations, multiple exchanges that occur on the same calendar day are considered 1 exchange. See **THE GENERAL ACCOUNT** section in this Prospectus and **THE CONTRACTS AND THE SEPARATE ACCOUNT** section in the SAI.

Systematic Transfer Options

We offer 3 systematic transfer options: dollar cost averaging, portfolio rebalancing, and earnings sweep. There is no charge for these options and transfers under these options are not counted towards your total transfers in a calendar year. You can have only one dollar cost averaging or earnings sweep program in effect at one time.

Dollar Cost Averaging

Dollar cost averaging is a method in which you buy securities in a series of regular purchases instead of in a single purchase. This allows you to average the securities' prices over time, and may permit a "smoothing" of abrupt peaks and drops in price. Prior to your Annuity Date, you may use dollar cost averaging to transfer amounts, over time, from any Investment Option with an Account Value of at least \$5,000 to one or more Variable Investment Options. Each transfer must be for at least \$250. Currently, we are not enforcing the minimum Account Value and/or transfer amounts but we reserve the right to enforce such minimum amounts in the future. Transfers from the Fixed Option under the dollar cost averaging program are subject to a minimum duration of 12 months. Currently, we are not enforcing the minimum duration but we reserve the right to enforce such minimum in the future. Detailed information appears in the SAI. We will provide you at least 30 calendar days prior notice before we enforce the minimum Account Value, transfer amounts and/or minimum duration on dollar cost averaging purchases.

Portfolio Rebalancing

You may instruct us to maintain a specific balance of Variable Investment Options under your Contract (e.g. 30% in Subaccount A, 40% in Subaccount B, and 30% in Subaccount C). Periodically, we will "rebalance" your values in the elected Subaccounts to the percentages you have specified. Rebalancing may result in transferring amounts from a Subaccount earning a relatively higher return to one earning a relatively lower return. You may choose to have rebalances made quarterly, semi-annually or annually until your Annuity Date. Only Variable Investment Options are available for rebalancing. Detailed information appears in the SAI.

Earnings Sweep

You may instruct us to make automatic periodic transfers of your earnings from the Fidelity® VIP Government Money Market Subaccount or from the Fixed Option to one or more Variable Investment Options (other than the Fidelity® VIP Government Money Market Subaccount). Detailed information appears in the SAI.

CHARGES, FEES AND DEDUCTIONS

Withdrawal Charge

No front-end sales charge is imposed on any Purchase Payment which means the entire amount of your Purchase Payment is allocated to the Investment Options you selected. Your Purchase Payments may, however, be subject to a withdrawal charge. This charge may apply to amounts you withdraw under your Contract prior to the Annuity Date, depending on the length of time each Purchase Payment has been invested and on the amount you withdraw. This amount is deducted proportionately among all Investment Options from which the withdrawal occurs. See the **Choosing Your Annuity Option – Annuity Options** section for withdrawal charges that may apply to redemptions after the Annuity Date. No withdrawal charge is imposed on:

- the free withdrawal amount (see **WITHDRAWALS – Withdrawals Free of a Withdrawal Charge**),
- payment of death benefit proceeds under the Contract except for certain non-natural Owners,
- amounts converted after the 1st Contract Year, if annuitized for at least 5 years, unless guaranteed variable annuity payments under Annuity Option 2 or 4 are subsequently redeemed (see **ANNUITIZATION – Choosing Your Annuity Option**),
- withdrawals by Owners to meet the minimum distribution rules for Qualified Contracts as they apply to amounts held under the Contract, or
- withdrawals after the 1st Contract Anniversary, if the last or sole Annuitant has been diagnosed with a medically determinable condition that results in a life expectancy of 12 months or less and we are provided with medical evidence In Proper Form.

Transfers of all or part of your Account Value from one Investment Option to another are not considered a withdrawal of an amount from your Contract, so no withdrawal charge is imposed at the time of transfer. See **HOW YOUR INVESTMENTS ARE ALLOCATED – Transfers and Market-timing Restrictions** and **THE GENERAL ACCOUNT**.

How the Withdrawal Charge is Determined

The amount of the withdrawal charge depends on how long each Purchase Payment was held under your Contract. Each Purchase Payment you make is considered to have a certain “age,” depending on the length of time since that Purchase Payment was effective. A Purchase Payment is “one year old” or has an “age of one” from the day it is effective until the day preceding your next Contract Anniversary. Beginning on the day preceding your next Contract Anniversary, your Purchase Payment will have an “age of two” and increases in age on the day preceding each Contract Anniversary. When you withdraw an amount subject to the withdrawal charge, the “age” of the Purchase Payment you withdraw determines the level of withdrawal charge as follows:

“Age” of Payment in Years:	Withdrawal Charge as a Percentage of the Purchase Payment Withdrawn
1	7%
2	6%
3	5%
4	3%
5	1%
6 or more	0%

We calculate your withdrawal charge by assuming that amounts withdrawn are attributed to Purchase Payments first and in the order your Purchase Payments were received by us, then Earnings and before any deductions for other charges due or taxes are made. We also account for any eligible Purchase Payments that are still in the surrender charge period that may be withdrawn without incurring a withdrawal charge (e.g. free 10%). See **WITHDRAWALS – Optional Withdrawals – Withdrawals Free of a Withdrawal Charge**. The withdrawal charge will be deducted proportionately among all Investment Options from which the withdrawal occurs. Unless you specify otherwise, a partial withdrawal amount requested will be processed as a “gross” amount, which means that applicable charges and taxes will be deducted from the requested amount. If a partial withdrawal amount is requested to be a “net” amount, applicable charges and taxes will be added to the requested amount and the withdrawal charges and taxes will be calculated on the grossed up amount.

Example: You make an initial Purchase Payment of \$10,000 in Contract Year 1 and make an additional Purchase Payment of \$7,000 in Contract Year 2. With Earnings, your Contract Value in Contract Year 3 is \$19,000. In Contract Year 3 you make a withdrawal of \$9,000. At this point, total Purchase Payments equal \$17,000, Earnings equal \$2,000, and the “age” of the applicable Purchase Payments withdrawn is 3 Years. 10% of all remaining Purchase Payments made (\$1,700) may be withdrawn free of a withdrawal charge per Contract Year. The amount of the withdrawal charge applied would be \$365 ($\$9,000 - \$1,700 = \$7,300$; $\$7,300 \times 5\% = \365).

The withdrawal charge is designed to reimburse us for sales commissions and other expenses associated with the promotion and solicitation of offers for the Contracts, although our actual expenses may be greater or less than the withdrawal charge amount. See **ADDITIONAL INFORMATION – Distribution Arrangements** for information regarding commissions and other amounts paid to broker-dealers in connection with Contract distribution.

Mortality and Expense Risk Charge

We assess a charge against the assets of each Subaccount to compensate for certain mortality and expense risks that we assume under the Contract (the “Risk Charge”). The risk that an Annuitant will live longer (and therefore receive more annuity payments) than we predict through our actuarial calculations at the time the Contract is issued is “mortality risk.” We also bear mortality risk in connection with death benefit payable under the Contract. The risk that the expense charges and fees under the Contract and Separate Account are less than our actual administrative and operating expenses is called “expense risk.”

This Risk Charge is assessed daily at an annual rate equal to 1.25% of each Subaccount’s assets.

The Risk Charge will stop at the Annuity Date (the Risk Charge will be assessed on the Annuity Date then discontinued thereafter) if you select fixed annuity payments. The Risk Charge (excluding any increase for optional benefits) will continue after the Annuity Date if you choose variable annuity payments, even though we do not bear mortality risk if your Annuity Option is Period Certain Only.

We will realize a gain if the Risk Charge exceeds our actual cost of expenses and benefits, and will suffer a loss if such actual costs exceed the Risk Charge. Any gain will become part of our General Account. We may use it for any reason, including covering sales expenses on the Contracts.

Administrative Fee

We charge an Administrative Fee as compensation for costs we incur in operating the Separate Account, issuing and administering the Contracts, including processing applications and payments, and issuing reports to you and to regulatory authorities.

The Administrative Fee is assessed daily at an annual rate equal to 0.15% of the assets of each Subaccount. This rate is guaranteed not to increase for the life of your Contract. A correlation will not necessarily exist between the actual administrative expenses attributable to a particular Contract and the Administrative Fee paid in respect of that particular Contract. The Administrative Fee will continue after the Annuity Date if you choose any variable payout option. We do not intend to realize a profit from this fee.

Annual Fee

We will charge you an Annual Fee of \$30.00 on each Contract Anniversary prior to the Annuity Date, and at the time you withdraw your entire Net Contract Value if your Net Contract Value is less than \$50,000 on that date. The fee is not imposed on amounts you annuitize or on payment of death benefit proceeds. The fee reimburses certain costs in administering the Contracts and the Separate Account. We do not intend to realize a profit from this fee. This fee is guaranteed not to increase for the life of your Contract.

Your Annual Fee will be charged proportionately against your Investment Options. Assessments against your Variable Investment Options are made by debiting some of the Subaccount Units previously credited to your Contract. That is, assessment of the Annual Fee does not change the Unit Value for those Subaccounts. Any portion of the Annual Fee we deduct from any of our fixed options (if available under the Contract) will not be greater than the annual interest credited in excess of that fixed option's minimum guaranteed interest rate.

Premium Taxes

Depending on your state of residence (among other factors), a tax may be imposed on your Purchase Payments ("premium tax") at the time your Investment is made, at the time of a partial or full withdrawal, at the time any death benefit proceeds are paid, at annuitization or at such other time as taxes may be imposed. Tax rates ranging from 0% to 3.5% are currently in effect, but may change in the future. Premium tax is charged according to the rate determined by your state of residence at the time of annuitization. Premium tax is subject to state requirements. Some local jurisdictions also impose a tax.

If we pay any premium taxes attributable to Purchase Payments, we will impose a similar charge against your Contract Value. We normally will charge you when you annuitize some or all of your Contract Value. We reserve the right to impose this charge for applicable premium taxes and/or other taxes when you make a full or partial withdrawal, at the time any death benefit proceeds are paid, or when those taxes are incurred. For these purposes, "premium taxes" include any state or local premium or retaliatory taxes and any federal, state or local income, excise, business or any other type of tax (or component thereof) measured by or based upon, directly or indirectly, the amount of Purchase Payments we have received. We currently base this charge on your Contract Value, but we reserve the right to base this charge on the transaction amount, the aggregate amount of Purchase Payments we receive under your Contract, or any other amount, that in our sole discretion we deem appropriately reimburses us for premium taxes paid on this Contract.

We may also charge the Separate Account or your Contract Value for taxes attributable to the Separate Account or the Contract, including income taxes attributable to the Separate Account or to our operations with respect to the Contract, or taxes attributable, directly or indirectly, to Purchase Payments. Any such charge deducted from the Contract Value will be deducted on a proportionate basis. See **HOW YOUR PURCHASE PAYMENTS ARE ALLOCATED – Investing in Variable Investment Options – Calculating Subaccount Unit Values** to see how such charges are deducted from the Separate Account. **Currently, we do not impose any such charges.**

Waivers and Reduced Charges

We may agree to waive or reduce charges under our Contracts, in situations where selling and/or maintenance costs associated with the Contracts are reduced, such as the sale of several Contracts to the same Contract Owner(s), sales of large Contracts, sales of Contracts in connection with a group or sponsored arrangement or mass transactions over multiple Contracts.

We will only waive or reduce such charges on any Contract where expenses associated with the sale or distribution of the Contract and/or costs associated with administering and maintaining the Contract are reduced. We reserve the right to terminate waiver and reduced charge programs at any time, including for issued Contracts.

Fund Expenses

Your Variable Account Value reflects advisory fees, any service and distribution (12b-1) fees, and other expenses incurred by the various Fund Portfolios, net of any applicable reductions and/or reimbursements. These fees and expenses may vary. Each Fund is governed by its own Board of Trustees, and your Contract does not fix or specify the level of expenses of any Portfolio. A Fund's fees and expenses are described in detail in the applicable Fund Prospectus and SAI.

Some Investment Options available to you are "fund of funds". A fund of funds portfolio is a fund that invests in other funds in addition to other investments that the portfolio may make. Expenses of fund of funds Investment Options may be higher than non fund of funds Investment Options due to the two tiered level of expenses. See the Fund prospectuses for detailed portfolio expenses and other information before investing.

ANNUITIZATION

Selecting Your Annuitant

When you submit your Contract application, you must choose a sole Annuitant or Joint Annuitants. If you are buying a Qualified Contract, you must be the sole Annuitant. If you are buying a Non-Qualified Contract you may choose yourself and/or another person as Annuitant. If you do not have Joint Annuitants, you may choose a Contingent Annuitant. The Contingent Annuitant will not impact any Contract benefits, including death benefit proceeds, until becoming the sole surviving Annuitant. You will not be able to add or change a sole or Joint Annuitant after your Contract is issued. However, if you are buying a Qualified Contract, you may add a Joint Annuitant on the Annuity Date. You will be able to add or change a Contingent Annuitant until your Annuity Date or the death of your sole Annuitant or both Joint Annuitants, whichever occurs first. However, once your Contingent Annuitant has become the Annuitant under your Contract, no additional Contingent Annuitant may be named. No Annuitant (Primary, Joint or Contingent) may be named upon or after reaching his or her 86th birthday. We reserve the right to require proof of age or survival of the Annuitant(s).

Annuitization

Annuitization occurs on the Annuity Date when you convert your Contract from the accumulation phase to the annuitization (income) phase. You may choose both your Annuity Date and your Annuity Option. At the Annuity Date, you may elect to annuitize some or all of your Net Contract Value, less any applicable charge for premium taxes and/or other taxes, (the "Conversion Amount"), as long as such Conversion Amount annuitized is at least \$10,000. We will send the annuity payments to the payee that you designate.

If you annuitize only a portion of this available Contract Value, you may have the remainder distributed, less any applicable charge for premium taxes and/or other taxes, any applicable withdrawal charge, and any Annual Fee. This option of distribution may or may not be available, or may be available for only certain types of contracts. Currently, we only allow this option on Qualified Contracts but we reserve the right to make it available on other contract types in the future. We will distribute your Net Contract Value, less any applicable charge for premium taxes, any applicable withdrawal charge, and any Annual Fee, to you in a single sum if the net amount of your Contract Value available to convert to an annuity is less than \$5,000 on your Annuity Date. Distributions under your Contract may have tax consequences. You should consult a qualified tax advisor for information on full or partial annuitization.

If you annuitize only a portion of your Net Contract Value on your Annuity Date, you may, at that time, have the option to elect not to have the remainder of your Contract Value distributed, but instead to continue your Contract with that remaining Contract Value (a "continuing Contract"). If this option is available, you would then choose a second Annuity Date for your continuing Contract, and all references in this Prospectus to your "Annuity Date" would, in connection with your continuing Contract, be deemed to refer to that second Annuity Date. The second Annuity Date may not be later than the date specified in the **Choosing Your Annuity Date** section of this Prospectus. This option may not be available, or may be available only for certain types of Contracts. You should be aware that some or all of the payments received before the second Annuity Date may be fully taxable. If you annuitize a portion of your Net Contract Value for a period certain of at least 10 years or for the life or life expectancy of the annuitant(s), the annuitized portion will be treated as a separate Contract for the purpose of determining the taxable amount of the payments. We recommend that you contact a qualified tax advisor for more information if you are interested in this option.

Distributions made due to a request for partial annuitization are treated as withdrawals for Contract purposes and may adversely affect optional Rider benefits. Work with your financial advisor prior to requesting partial annuitization.

Choosing Your Annuity Date

You should choose your Annuity Date when you submit your application or we will apply a default Annuity Date to your Contract. You may change your Annuity Date by notifying us, In Proper Form, at least ten Business Days prior to the earlier of your current Annuity Date or your new Annuity Date. Your Annuity Date cannot be earlier than your first Contract Anniversary. Adverse federal tax consequences may result if you choose an Annuity Date that is prior to an Owner's attained age 59½. See **FEDERAL TAX ISSUES**.

If you have a sole Annuitant, your Annuity Date cannot be later than the sole Annuitant's 95th birthday. If you have Joint Annuitants, your Annuity Date cannot be later than your younger Joint Annuitant's 95th birthday. In the case of certain trusts, the Annuity Date cannot be later than the Annuitant's 100th birthday. Different requirements may apply as required by any applicable state law or the Code. *We may, at our sole discretion, allow you to extend your Annuity Date regardless of whether we may have granted any extensions to you or to any others in the past. We reserve the right, at any time, to not offer any extension to your Annuity Date. Some Broker/Dealers may not allow their clients to extend the Annuity Date beyond age 95.*

If your Contract is a Qualified Contract, you may also be subject to additional restrictions. In order to meet the Code minimum distribution rules, your Required Minimum Distributions (RMDs) may begin earlier than your Annuity Date. For instance, under Section 401 of the Code (for Qualified Plans) and Section 408 of the Code (for IRAs), the entire interest under the Contract must be distributed to the Owner/Annuitant not later than the Owner/Annuitant's Required Beginning Date ("RBD"), or distributions over the life of the Owner/Annuitant (or the Owner/Annuitant and his or her Beneficiary) must begin no later than the RBD. For more information see **FEDERAL TAX ISSUES**.

Default Annuity Date and Options

If you have a Non-Qualified Contract and you do not choose an Annuity Date when you submit your application, your Annuity Date will be your Annuitant's 95th birthday or your younger Joint Annuitant's 95th birthday, whichever applies. If you have a Qualified Contract and you do not choose an Annuity Date when you submit your application, your Annuity Date will be your Annuitant's 95th birthday. However some states' laws may require a different Annuity Date. Certain Qualified Contracts may require distributions to occur at an earlier age.

If you have not specified an Annuity Option or do not instruct us otherwise, at your Annuity Date your Net Contract Value, less any charges for premium taxes and/or other taxes, will be annuitized (if this net amount is at least \$10,000) as follows:

- the net amount from a fixed option will be converted into fixed annuity payments, and
- the net amount from your Variable Account Value will be converted into variable annuity payments directed to the Subaccounts proportionate to your Account Value in each.

Additionally:

- If you have a Non-Qualified Contract, your default Annuity Option will be **Life with a ten year Period Certain**.
- If you have a Qualified Contract, your default Annuity Option will be **Life with a five year Period Certain** or a shorter period certain as may be required by federal regulation. If you are married, different requirements may apply. Please contact your plan administrator for further information, if applicable.
- If the net amount is less than \$10,000, the entire amount will be distributed in one lump sum.

Choosing Your Annuity Option

You should carefully review the Annuity Options with a qualified tax advisor, and, for Qualified Contracts, reference should be made to the terms of the particular plan and the requirements of the Code for pertinent limitations regarding annuity payments, Required Minimum Distributions ("RMDs"), and other matters.

You may make 3 basic decisions about your annuity payments. First, you may choose whether you want those payments to be a fixed-dollar amount and/or a variable-dollar amount. Second, you may choose the form of annuity payments (see *Annuity Options* below). Third, you may decide how often you want annuity payments to be made (the "frequency" of the payments). You may not change these selections after the Annuity Date.

Fixed and Variable Payment Options

You may choose fixed annuity payments based on a fixed rate and the 1983a Annuity Mortality Table with the ages set back 10 years, variable annuity payments that vary with the investment results of the Subaccounts you select, or you may choose both, converting one portion of the net amount you annuitize into fixed annuity payments and another portion into variable annuity payments.

If you select fixed annuity payments, each periodic annuity payment received will be equal to the initial annuity payment, unless you select a Joint and Survivor Life annuity with reduced survivor payments when the Primary Annuitant dies. Any net amount you convert to fixed annuity payments will be held in our General Account (but not under any fixed option).

If you select variable annuity payments, you may choose as many Variable Investment Options as you wish. The amount of the periodic annuity payments will vary with the investment results of the Variable Investment Options selected and may be more or less than a fixed payment option. After the Annuity Date, Annuity Units may be exchanged among available Variable Investment Options up to 4 times in any 12 month period. How your Contract converts into variable annuity payments is explained in more detail in **THE CONTRACTS AND THE SEPARATE ACCOUNT** section in the SAI. We reserve the right to limit the Subaccounts available, to change the number and frequency of exchanges and to change the number of Subaccounts you may choose.

Annuity Options

Four Annuity Options are currently available under the Contract, although additional options may become available in the future.

1. *Life Only*. Periodic payments are made to the designated payee during the Annuitant's lifetime. Payments stop when the Annuitant dies.
2. *Life with Period Certain*. Periodic payments are made to the designated payee during the Annuitant's lifetime, with payments guaranteed for a specified period. You may choose to have payments guaranteed from 5 through 30 years (in full years only). The guaranteed period may be limited on Qualified Contracts based on your life expectancy.
3. *Joint and Survivor Life*. Periodic payments are made to the designated payee during the lifetime of the Primary Annuitant. After the death of the Primary Annuitant, periodic payments will continue to be made during the lifetime of the secondary Annuitant named in the election. You may choose to have the payments during the lifetime of the surviving secondary Annuitant equal 50%, 66 2/3% or 100% of the original amount payable during the lifetime of the Primary Annuitant (you must make this election when you choose your Annuity Option). If you elect a reduced payment based on the life of the secondary Annuitant, fixed annuity payments will be equal to 50% or 66 2/3% of the original fixed payment payable during the lifetime of the Primary Annuitant; variable annuity payments will be determined using 50% or 66 2/3%, as applicable, of the number of Annuity Units for each

Subaccount credited to the Contract as of the date of death of the Primary Annuitant. Payments stop when both Annuitants have died.

4. *Period Certain Only.* Periodic payments are made to the designated payee, guaranteed for a specified period. You may choose to have payments guaranteed from 5 through 30 years (in full years only). The guaranteed period may be limited on Qualified Contracts based on your life expectancy.

Periodic payment amounts will differ based on the Annuity Option selected. Generally, the longer the possible payment period, the lower the payment amount.

Additionally, if variable payments are elected under Annuity Options 2 and 4 (Life with Period Certain and Period Certain Only, respectively), you may redeem all remaining guaranteed variable payments after the Annuity Date. Also, under Option 4, partial redemptions of remaining guaranteed variable payments after the Annuity Date are available. **If you elect to redeem all remaining guaranteed variable payments in a single sum, we will not make any additional annuity payments during the remaining guaranteed period after the redemption.** If Annuity Option 2 was elected and the Annuitant is alive at the end of the guaranteed period, annuity payments will resume until the Annuitant's death. The amount available upon full redemption would be the present value of any remaining guaranteed payments at the assumed investment return. Any applicable withdrawal charge will be deducted from the present value as if you made a full withdrawal, or if applicable, a partial withdrawal. For purposes of calculating the withdrawal charge and Free Withdrawal amount, it will be assumed that the Contract was never converted to provide annuity payments and any prior annuity payments in that Contract Year will be treated as if they were partial withdrawals from the Contract (see **CHARGES, FEES AND DEDUCTIONS – Withdrawal Charge**). **If you have a Qualified Contract, there may be adverse tax implications if you elect to redeem any remaining variable payments in a single sum. Work with your tax advisor before making such an election.**

For example, assume that a Contract was issued with a single investment of \$10,000 and in Contract Year 3 the Owner elects to receive variable annuity payments under Annuity Option 4. In Contract Year 4, the Owner elects to make a partial redemption of \$5,000. The withdrawal charge as a percentage of the Purchase Payments with an age of 4 years is 3%. Assuming the Free Withdrawal amount immediately prior to the partial redemption is \$200, the withdrawal charge for the partial redemption will be \$144 $((\$5,000 - \$200) * 3\%)$. No withdrawal charge will be imposed on a redemption if:

- the Annuity Option is elected as the form of payments of death benefit proceeds, or
- the Annuitant dies before the period certain has ended and the Beneficiary requests a redemption of the variable annuity payments.

If the Annuitant dies before the guaranteed payments under Annuity Options 2 and 4 are completed, we will pay the remainder of the guaranteed payments to the first person among the following who is (1) living; or (2) an entity or corporation entitled to receive the remainder of the guaranteed payments:

- the Owner;
- the Joint Owner;
- the Contingent Owner;
- the Beneficiary; or
- the Contingent Beneficiary.

If none are living (or if there is no entity or corporation entitled to receive the remainder of the guaranteed payments), we will pay the remainder of the guaranteed payments to the Owner's estate.

If the Owner dies on or after the Annuity Date, but payments have not yet been completed, then distributions of the remaining amounts payable under the Contract must be made at least as rapidly as the method of distribution that was being used at the date of the Owner's death. All of the Owner's rights granted by the Contract will be assumed by the first among the following who is (1) living; or (2) an entity or corporation entitled to assume the Owner's rights granted by the Contract:

- the Joint Owner;
- the Contingent Owner;
- the Beneficiary; or
- the Contingent Beneficiary.

If none are living (or if there is no entity or corporation entitled to assume the Owner's rights granted by the Contract), all of the Owner's rights granted by the Contract will be assumed by the Owner's estate.

For Qualified Contracts, please refer to the **Choosing Your Annuity Date** section in this Prospectus. If your Contract was issued in connection with a Qualified Plan subject to Title I of the Employee Retirement Income Security Act of 1974 ("ERISA"), your

spouse's consent may be required when you seek any distribution under your Contract, unless your Annuity Option is Joint and Survivor Life with survivor payments of at least 50%, and your spouse is your Joint Annuitant.

Your Annuity Payments

Frequency of Payments

You may choose to have annuity payments made monthly, quarterly, semi-annually, or annually. The variable payment amount will be determined in each period on the date corresponding to your Annuity Date, and payment will be made on the next Business Day.

Your initial annuity payment must be at least \$250. Depending on the amount you annuitize, this requirement may limit your options regarding the period and/or frequency of annuity payments.

Amount of the First Payment

Your Contract contains tables that we use to determine the amount of the first annuity payment under your Contract, taking into consideration the annuitized portion of your Net Contract Value at the Annuity Date. This amount will vary, depending on the annuity period and payment frequency you select. This amount will be larger in the case of shorter Period Certain annuities and smaller for longer Period Certain annuities. Similarly, this amount will be greater for a Life Only annuity than for a Joint and Survivor Life annuity, because we will expect to make payments for a shorter period of time on a Life Only annuity. If you do not choose the Period Certain Only annuity, this amount will also vary depending on the age of the Annuitant(s) on the Annuity Date and, for some Contracts in some states, the sex of the Annuitant(s).

For fixed annuity payments, the guaranteed income factors in our tables are based on an annual interest rate of 3% and the 1983a Annuity Mortality Table with the ages set back 10 years. If you elect a fixed annuity, fixed annuity payments will be based on the periodic income factors in effect for your Contract on the Annuity Date which are at least the guaranteed income factors under the Contract.

For variable annuity payments, the tables are based on an assumed annual investment return of 5% and the 1983a Annuity Mortality Table with the ages set back 10 years. If you elect a variable annuity, your initial variable annuity payment will be based on the applicable variable annuity income factors in effect for your Contract on the Annuity Date which are at least the variable annuity income factors under the Contract. You may choose any other annuity option we may offer on the option's effective date. A higher assumed investment return would mean a larger first variable annuity payment, but subsequent payments would increase only when actual net investment performance exceeds the higher assumed rate and would fall when actual net investment performance is less than the higher assumed rate. A lower assumed rate would mean a smaller first payment and a more favorable threshold for increases and decreases. If the actual net investment performance is a constant 5% annually, annuity payments will be level. The assumed investment return is explained in more detail in the SAI under **THE CONTRACTS AND THE SEPARATE ACCOUNT**.

DEATH BENEFITS

Death Benefits

Death benefit proceeds may be payable before the Annuity Date on proof of the sole surviving Annuitant's death or of any Contract Owner while the Contract is in force. Any death benefit payable will be calculated on the "Notice Date", which is the day on which we receive, In Proper Form, proof of death and instructions regarding payment of death benefit proceeds. If a Contract has multiple Beneficiaries, death benefit proceeds will be calculated when we first receive proof of death and instructions, In Proper Form, from any Beneficiary. The death benefit proceeds still remaining to be paid to other Beneficiaries will fluctuate with the performance of the underlying Investment Options.

Death Benefit Proceeds

Death benefit proceeds will be payable on the Notice Date. Such proceeds will be reduced by any charge for premium taxes and/or other taxes and any Contract Debt. The death benefit proceeds may be payable in a single sum, as an Annuity Option available under the Contract, towards the purchase of any other Annuity Option we then offer, or in any other manner permitted by the IRS and approved by us. The Owner's spouse may continue the Contract (see **Death Benefits – Spousal Continuation**). In addition, there may be legal requirements that limit the recipient's Annuity Options and the timing of any payments. A recipient should consult a qualified tax advisor before making a death benefit election.

Death Benefit Amounts

The Death Benefit Amount as of the Notice Date and prior to the Annuity Date is equal to the greater of:

- your Contract Value as of that day, or
- your aggregate Purchase Payments, reduced by any applicable charges and fees, and further reduced by an amount for each withdrawal that is calculated by multiplying the aggregate Purchase Payments received by the ratio of the amount of each withdrawal, including applicable withdrawal charges, to the Contract Value immediately prior to each withdrawal.

Guaranteed Minimum Death Benefit Amount

The actual Guaranteed Minimum Death Benefit (GMDB) Amount will be calculated only when a death benefit becomes payable as a result of the death of the sole Annuitant, or the first death of an Owner who is also an Annuitant, and is determined as follows: We look at the Contract as of the first Contract Anniversary and as of every subsequent Contract Anniversary prior to the Annuity Date, that is, the 1st, 2nd, 3rd, etc., until the earlier of:

- the date the Annuitant reaches his or her 81st birthday,
- the date of the Annuitant's death, or
- the Annuity Date, (each of these Anniversaries is a "Milestone Date").

For each Milestone Date, we calculate the Death Benefit Amount and:

- add the aggregate amount of any Purchase Payments received by us after that Milestone Date,
- subtract an amount for each withdrawal that is calculated by multiplying that Death Benefit Amount before the withdrawal by the ratio of the amount of each withdrawal that has occurred since that Milestone Date, including applicable withdrawal charges, to the Contract Value immediately prior to each withdrawal, and
- subtract the aggregate amount of any previous charges, fees, and/or taxes effected since that Milestone Date.

The highest of these adjusted Death Benefit Amounts, as of the Notice Date, is the GMDB Amount. Calculations of any actual Guaranteed Minimum Death Benefit are only made once death benefit proceeds become payable under your Contract.

Spousal Continuation

Generally, a sole designated recipient who is the Owner's spouse may elect to become the Owner (and sole Annuitant if the deceased Owner had been the Annuitant) and continue the Contract until the earliest of the spouse's death, the death of the Annuitant, or the Annuity Date, except in the case of a Qualified Contract issued under section 403 of the Code. The spousal continuation election must be made by the fifth anniversary of the death of the Contract Owner for Non-Qualified Contracts, or by December 31 of the calendar year in which the fifth anniversary of the Contract Owner's death falls for Qualified Contracts. On the Notice Date, if the surviving spouse is deemed to have continued the Contract, we will set the Contract Value equal to the death benefit proceeds that would have been payable to the spouse as the deemed Beneficiary/designated recipient of the death benefit proceeds.

This "Add-In Amount" is the difference between the Contract Value and the death benefit proceeds that would have been payable. The Add-In Amount will be added to the Contract Value on the Notice Date. There will not be an adjustment to the Contract Value if the Contract Value is equal to or greater than the death benefit proceeds as of the Notice Date. The Add-In Amount will be allocated among Investment Options in accordance with the current allocation instructions for the Contract and may be, under certain circumstances, considered earnings. The Add-In Amount is not treated as a new Purchase Payment.

A Joint or Contingent Owner who is the designated recipient, but not the Owner's spouse, may not continue the Contract. Under IRS Guidelines, once a surviving spouse continues the Contract, the Contract may not be continued again in the event the surviving spouse remarries. If you have purchased an optional living benefit Rider, please refer to the Rider attached to your Contract to determine how any guaranteed amounts may be affected when a surviving spouse continues the Contract.

Example: On the Notice Date, the Owner's surviving spouse elects to continue the Contract. On that date, the death benefit proceeds were \$100,000 and the Contract Value was \$85,000. Since the surviving spouse elected to continue the Contract in lieu of receiving the death benefit proceeds, we will increase the Contract Value by an Add-In Amount of \$15,000 ($\$100,000 - \$85,000 = \$15,000$). If the Contract Value on the Notice Date was \$100,000 or higher, then nothing would be added to the Contract Value.

The continuing spouse is subject to the same fees, charges and expenses applicable to the deceased Owner of the Contract.

Non-Qualified Contract Distribution Rules

The Contract is intended to comply with all applicable provisions of Code Section 72(s) and any successor provision, as deemed necessary by us to qualify the Contract as an annuity contract for federal income tax purposes. If an Owner of a Non-Qualified Contract dies before the Annuity Date, distribution of the death benefit proceeds must begin within 1 year after the Owner's death or complete distribution within 5 years after the Owner's death. In order to satisfy this requirement, the designated recipient must receive a final lump sum payment by the 5th anniversary of the Contract Owner's death, or elect to receive an annuity for life or over a period that does not exceed the life expectancy of the designated recipient with annuity payments that start within 1 year after the Owner's death or, if permitted by the IRS, elect to receive a systematic distribution over a period not exceeding the beneficiary's life expectancy using a method that would be acceptable for purposes of calculating the minimum distribution required under section 401(a)(9) of the Code. If an election to receive an annuity is not made within 60 calendar days of our receipt of proof, In Proper Form, of the Owner's death or, if earlier, 60 calendar days (or shorter period as we permit) prior to the 1st anniversary of the Owner's death, the option to receive annuity payments is no longer available. If a Non-Qualified Contract has Joint Owners, this requirement applies to the first Contract Owner to die.

The Owner may designate that the Beneficiary will receive death benefit proceeds through annuity payments for life or life with Period Certain. The Owner must designate the payment method in writing in a form acceptable to us. The Owner may revoke the designation only in writing and only in a form acceptable to us. Once the Owner dies, the Beneficiary cannot revoke or modify the Owner's designation.

Qualified Contract Distribution Rules

Under IRS regulations and our administrative procedures, if the Contract is owned under a Qualified Plan as defined in Sections 401, 403, 457(b), 408, or 408A of the Code and the Annuitant dies before the Required Beginning Date, the payment of any death benefit proceeds must be made to the designated recipient in accordance with one of two rules. One rule generally requires the death benefit proceeds to commence distribution by December 31 of the calendar year following the calendar year of the Annuitant's death and continue over the life of his or her Beneficiary (the "life expectancy method"). The second rule requires distribution of the entire death benefit proceeds no later than December 31 of the calendar year in which the 5th anniversary of the Annuitant's death falls (the "five-year rule"), and is only available on Contracts where the Annuitant dies *before* their RMDs have begun.

However, the life expectancy method and the five-year rule are modified if the sole primary Beneficiary is a surviving spouse. If the surviving spouse elects not to do an eligible rollover to an IRA or another existing eligible plan in his or her name, then he or she will be subject to the five-year rule. However, the surviving spouse may waive the five-year requirement and elect to take distributions over his or her life expectancy. If the surviving spouse elects to defer the commencement of required distributions beyond the 1st anniversary of the Annuitant's death, the surviving spouse may defer required distributions until the later of:

- December 31 of the year following the year the Annuitant died, or
- December 31 of the year in which the deceased Annuitant would have turned 70½.

You are responsible for monitoring distributions that must be taken to meet IRS guidelines.

If the Annuitant dies after the commencement of RMDs (except in the case of a Roth IRA when RMDs do not apply) but before the Annuitant's entire interest in the Contract (other than a Roth IRA) has been distributed, the remaining interest in the Contract must be distributed to the designated recipient at least as rapidly as under the distribution method in effect at the time of the Annuitant's death.

The Amount of the Death Benefit: Death of the Annuitant

If the sole surviving Annuitant or the first Owner who is also an Annuitant dies on or before the first Contract Anniversary, or if the Annuitant had already reached his or her 81st birthday as of the first Contract Anniversary, the death benefit proceeds will be equal to the Death Benefit Amount as of the Notice Date. For Non-Natural Owners, the Death Benefit proceeds will be payable on proof of death of the first Annuitant.

If the sole surviving Annuitant or the first Owner who is also an Annuitant dies prior to the Annuity Date but after the first Contract Anniversary, *and* had not yet reached his or her 81st birthday as of the first Contract Anniversary, the death benefit proceeds will be equal to the greater of:

- the Death Benefit Amount as of the Notice Date, or
- the GMDB Amount as of the Notice Date.

If the Annuitant who is not an Owner dies, the designated sole Annuitant will then be the first living person in the following order and no death benefit proceeds will be payable:

- a surviving Joint Annuitant, or
- a surviving Contingent Annuitant.

If there is no surviving Joint or Contingent Annuitant, the death benefit proceeds will be payable to the first living person in the following order:

- Beneficiary, or
- Contingent Beneficiary.

If none are living, the death benefit proceeds will be payable to the Owner, or the Owner's Estate.

If the Owner is not an Annuitant and the Owner and Annuitant die simultaneously, the death benefit proceeds will be paid to the first living person in the following order:

- Beneficiary, or
- Contingent Beneficiary.

If none are living, the death benefit proceeds will be payable to the Owner's Estate

The Amount of the Death Benefit: Death of a Contract Owner

If a Contract Owner who is not an Annuitant dies before the Annuity Date, the death benefit proceeds will be equal to the Death Benefit Amount as of the Notice Date and will be paid in accordance with the Death Benefit Proceeds section above. The death benefit proceeds will be paid to the first living person in the following order:

- Joint Owner,
- Contingent Owner,
- Beneficiary, or
- Contingent Beneficiary.

If none are living, death benefit proceeds will be paid to the Owner's estate.

If a Contract Owner who is an Annuitant dies before the Annuity Date, the amount of the death benefit will be equal to the greater of your Death Benefit Amount or the GMDB Amount as of the Notice Date and will be paid in accordance with the Death Benefit Proceeds section above.

WITHDRAWALS

Optional Withdrawals

You may, on or prior to your Annuity Date, withdraw all or a portion of the amount available under your Contract while the Annuitant is living and your Contract is in force. You may surrender your Contract and make a full withdrawal at any time after the right to cancel period. If you surrender your Contract it will be terminated as of the Effective Date of the withdrawal. Beginning 30 calendar days after your Contract Date, you also may make partial withdrawals from your Investment Options at any time. Currently, we are not requiring the 30-day waiting period on partial withdrawals, but we reserve the right to require a 30-day waiting period on partial withdrawals in the future. We will provide you at least 30 calendar days prior notice before we implement the 30-day waiting period on partial withdrawals. You may request to withdraw a specific dollar amount or a specific percentage of an Account Value or your Net Contract Value. You may choose to make your withdrawal from specified Investment Options. If you do not specify Investment Options, your withdrawal will be made from all of your Investment Options proportionately.

Each partial withdrawal must be for \$500 or more. Pre-authorized partial withdrawals must be at least \$250, except for pre-authorized withdrawals distributed by Electronic Funds Transfer (EFT), which must be at least \$100. If your partial withdrawal from an Investment Option would leave a remaining Account Value in that Investment Option of less than any minimum Account Value we may require in the future, we also reserve the right, at our option, to transfer that remaining amount to your other Investment Options on a proportionate basis relative to your most recent allocation instructions. If your partial withdrawal leaves you with a Net Contract Value of less than \$1,000, or if your partial withdrawal request is for an amount exceeding the amount as described in the *Amount Available for Withdrawal* section below, we have the right, at our option, to terminate your Contract and send you the withdrawal proceeds. Partial withdrawals from the Fixed Option in any Contract Year may be subject to restrictions.

Distributions made due to divorce instructions or under Code Section 72(t)/72(q) (substantially equal periodic payments) are treated as withdrawals for Contract purposes and may result in a withdrawal charge assessment.

Amount Available for Withdrawal

The amount available for withdrawal is your Net Contract Value (Contract Value less Contract Debt) at the end of the Business Day on which your withdrawal request is effective, less any applicable Annual Fee, withdrawal charge, and any charge for premium taxes and/or other taxes. The amount we send to you (your "withdrawal proceeds") will also reflect any adjustment for federal and state income tax withholding. See **FEDERAL TAX ISSUES** and **THE GENERAL ACCOUNT**.

You assume investment risk on Purchase Payments in the Subaccounts. As a result, the amount available to you for withdrawal from any Subaccount may be more or less than the total Purchase Payments you have allocated to that Subaccount.

Withdrawals Free of a Withdrawal Charge

Subject to the amount available for withdrawal provisions as described above, we will not impose a withdrawal charge on your withdrawal to the extent that total withdrawals that are free of charge during the Contract Year do not exceed 10% of the sum of your remaining Purchase Payments at the beginning of the Contract Year that have been held under your Contract for less than 6 years plus additional Purchase Payments applied to your Contract during that Contract Year. Our calculations of the withdrawal charge deduct this "free 10%" from your "oldest" Purchase Payment that is still otherwise subject to the charge. For purposes of determining the free withdrawal amounts, withdrawal of mandatory required distributions from certain Qualified Plans are included within the calculations. Any portion of your eligible Purchase Payments not withdrawn during a Contract Year may not be carried over to the next Contract Year.

Example: You make an initial Purchase Payment of \$10,000 in Contract Year 1, and make additional Purchase Payments of \$1,000 and \$6,000 in Contract Year 2. With Earnings, your Contract Value in Contract Year 3 is \$19,000. In Contract Year 3, you may withdraw \$1,700 free of the withdrawal charge (your remaining Purchase Payments were \$17,000, so 10% of that total equals \$1,700).

After this withdrawal, your Contract Value is \$17,300 (\$15,300 equal to remaining Purchase Payments and \$2,000 equal to earnings). In Contract Year 4, your Contract Value falls to \$12,500; you may withdraw \$1,530 (10% of \$15,300; \$15,300 represents the remaining Purchase Payments) free of any withdrawal charges.

The free 10% may also apply to redemptions made after the Annuity Date. See **ANNUITIZATION – Choosing Your Annuity Option – Annuity Options** for Free Withdrawal amounts that apply to redemptions after the Annuity Date.

Qualified Contracts have special restrictions on withdrawals. For purposes of determining the free withdrawal amounts, withdrawal of mandatory required distributions from certain Qualified Contracts are included within the calculations. For additional information, see *Special Restrictions Under Qualified Plans* below. For those Contracts issued to a Charitable Remainder Trust (CRT), the amount available for withdrawal free of withdrawal charges during a Contract Year includes all eligible Purchase Payments plus all earnings even if all Purchase Payments have not been deemed withdrawn.

Pre-Authorized Withdrawals

If your Contract Value is at least \$5,000, you may select the pre-authorized withdrawal option, and you may choose monthly, quarterly, semi-annual or annual withdrawals. Currently, we are not enforcing the minimum Contract Value amount but we reserve the right to enforce the minimum amount in the future. We will provide at least a 30 calendar day prior notice before we enforce the minimum Contract Value amount. Each withdrawal must be for at least \$250, except for withdrawals distributed by Electronic Funds Transfer (EFT), which must be at least \$100. Each pre-authorized withdrawal is subject to federal income tax on its taxable portion and may be subject to a tax penalty of 10% if you have not reached age 59½. Pre-authorized withdrawals cannot be used to continue the Contract beyond the Annuity Date. See **FEDERAL TAX ISSUES** and **THE GENERAL ACCOUNT**. Additional information and options are set forth in the SAI.

Special Requirements for Withdrawals and Payments to Third Party Payees

Withdrawals may not be directed to individual third party payees. If you wish to have a full or partial withdrawal check made payable to a third-party payee that is a financial institution, trust, or charity, you must provide complete instructions and the request may require an original signature and/or signature guarantee.

Special Restrictions Under Qualified Plans

Qualified Plans may have additional rules regarding withdrawals from a Contract purchased under such a Plan. In general, if your Contract was issued under certain Qualified Plans, *you may not withdraw amounts* attributable to contributions made pursuant to a salary reduction agreement (as defined in Section 402(g)(3)(A) of the Code) or to transfers from a custodial account (as defined in Section 403(b)(7) of the Code) *except* in cases of your:

- severance from employment,
- death,
- disability as defined in Section 72(m)(7) of the Code,
- distributions upon termination of a Qualified Plan,
- reaching age 59½, or
- hardship as defined for purposes of Section 401 of the Code.

These limitations do not affect certain rollovers or exchanges between Qualified Plans, and do not apply to rollovers from these Qualified Plans to an individual retirement account or individual retirement annuity. In the case of a 403(b) plan, these limitations do not apply to certain salary reduction contributions made, and investment results earned, prior to dates specified in the Code.

Hardship withdrawals under the exception provided above are restricted to amounts attributable to salary reduction contributions, and do not include investment results. This additional restriction does not apply to salary reduction contributions made, or investment results earned, prior to dates specified in the Code.

Certain distributions, including rollovers, may be subject to mandatory withholding of 20% for federal income tax and to a tax penalty of 10% if the distribution is not transferred directly to the trustee of another Qualified Plan, or to the custodian of an individual retirement account or issuer of an individual retirement annuity. See **FEDERAL TAX ISSUES**. Distributions may also trigger withholding for state income taxes. The tax and ERISA rules relating to withdrawals from Contracts issued to Qualified Plans are complex. We are not the administrator of any Qualified Plan. You should consult your qualified tax advisor and/or your Plan Administrator before you withdraw any portion of your Contract Value.

Effective Date of Withdrawal Requests

Withdrawal requests we receive before the close of the New York Stock Exchange, which usually closes at 4:00 p.m. Eastern time, will be effective at the end of the same Business Day that we receive them In Proper Form unless the transaction or event is scheduled to occur on another Business Day. If you make Purchase Payments by check and submit a withdrawal request immediately afterwards, payment of your withdrawal proceeds may be delayed until we receive confirmation in our Annuities administrative office that your check has cleared.

Tax Consequences of Withdrawals

All withdrawals, including pre-authorized withdrawals, will generally have federal income tax consequences, which could include tax penalties. **You should consult with a qualified tax advisor before making any withdrawal or selecting the pre-authorized withdrawal option.** See **FEDERAL TAX ISSUES**.

Right to Cancel (“Free Look”)

You may return your Contract for cancellation and a refund during your Free Look period. Your Free Look period is usually the 10-calendar day period beginning on the calendar day you receive your Contract, but may vary if required by state law or if you are replacing another annuity contract or life insurance policy. The amount of your refund may be more or less than the Purchase Payments you have made. If you return your Contract and it is post-marked during the Free Look period, it will be cancelled as of the date we receive your Contract In Proper Form. In most states, you will then receive a refund of your Contract Value, based upon the next determined Accumulated Unit Value (AUV) after we receive your Contract for cancellation, plus a refund of any amount that may have been deducted as Contract fees and charges. Your refund amount may be subject to income tax consequences, which include tax penalties. You should consult with a qualified tax advisor before cancelling your Contract for a refund.

In some states we are required to refund your Purchase Payments. If your Contract was issued in such a state and you cancel your Contract during the Free Look period, we will return the greater of your Purchase Payments (less any withdrawals made) or the Contract Value. In addition, if your Contract was issued as an IRA and you return your Contract within 7 calendar days after you receive it, we will return the greater of your Purchase Payments (less any withdrawals made) or the Contract Value.

Your Purchase Payments are allocated to the Investment Options you indicated on your application, unless otherwise required by state law. If state law requires that your Purchase Payments must be allocated to Investment Options different than you requested, we will comply with state requirements. At the end of the Free Look period, we will allocate your Purchase Payments based on your allocation instructions.

See **ADDITIONAL INFORMATION – State Considerations**.

For replacement business, the Free Look period may be extended and the amount returned (Purchase Payment versus Contract Value) may be different than for non-replacement business. Please consult with your financial advisor if you have any questions regarding your state’s Free Look period and the amount of any refund.

You will find a complete description of the Free Look period and amount to be refunded that applies to your Contract on the Contract’s cover page.

If your Contract is issued in exchange for another annuity contract or a life insurance policy, our administrative procedures may vary, depending on the state in which your Contract is issued.

PACIFIC LIFE AND THE SEPARATE ACCOUNT

Pacific Life

Pacific Life Insurance Company is a life insurance company domiciled in Nebraska. Along with our subsidiaries and affiliates, our operations include life insurance, annuity, mutual funds, broker-dealer operations, and investment advisory services. At the end of 2017, we had \$484.7 billion of individual life insurance in force and total admitted assets of approximately \$129 billion.

We are authorized to conduct our life insurance and annuity business in the District of Columbia and in all states except New York. Our executive office is located at 700 Newport Center Drive, Newport Beach, California 92660.

We were originally organized on January 2, 1868, under the name “Pacific Mutual Life Insurance Company of California” and reincorporated as “Pacific Mutual Life Insurance Company” on July 22, 1936. On September 1, 1997, we converted from a mutual life insurance company to a stock life insurance company ultimately controlled by a mutual holding company and were authorized by California regulatory authorities to change our name to Pacific Life Insurance Company. On September 1, 2005, Pacific Life changed from a California corporation to a Nebraska corporation. Pacific Life is a subsidiary of Pacific LifeCorp, a holding company, which, in turn, is a subsidiary of Pacific Mutual Holding Company, a mutual holding company. Under their respective charters, Pacific Mutual Holding Company must always hold at least 51% of the outstanding voting stock of Pacific LifeCorp, and Pacific LifeCorp must always own 100% of the voting stock of Pacific Life. Owners of Pacific Life’s annuity contracts and life insurance policies have certain membership interests in Pacific Mutual Holding Company, consisting principally of the right to vote on the election of the Board of Directors of the mutual holding company and on other matters, and certain rights upon liquidation or dissolutions of the mutual holding company.

Our subsidiary, Pacific Select Distributors, LLC (PSD) serves as the principal underwriter (distributor) for the Contracts. PSD is located at 700 Newport Center Drive, Newport Beach, California 92660. We and PSD enter into selling agreements with broker-dealers whose financial advisors are authorized by state insurance departments to sell the Contracts.

We may provide you with reports of our ratings both as an insurance company and as to our claims-paying ability with respect to our General Account assets.

Separate Account B

Separate Account B was established on September 25, 1996 as a separate account of Pacific Life, and is registered with the SEC under the Investment Company Act of 1940 (the “1940 Act”), as a type of investment company called a “unit investment trust.” We established Separate Account B under the laws of the state of California. Separate Account B is maintained under the laws of the state of Nebraska.

Obligations arising under your Contract are our general corporate obligations. We are also the legal owner of the assets in the Separate Account. Assets of the Separate Account attributed to the reserves and other liabilities under the Contract and other contracts issued by us that are supported by the Separate Account may not be charged with liabilities arising from any of our other business; any income, gain or loss (whether or not realized) from the assets of the Separate Account are credited to or charged against the Separate Account without regard to our other income, gain or loss. We must keep assets in the Separate Account equal to the reserves and contract liabilities (*i.e.* amounts at least equal to the aggregate variable account value) sufficient to pay obligations under the contracts funded by the Separate Account.

We may invest money in the Separate Account in order to commence its operations and for other purposes, but not to support contracts other than variable annuity contracts. A portion of the Separate Account’s assets may include accumulations of charges we make against the Separate Account and investment results of assets so accumulated. These additional assets are ours and we may transfer them to our General Account at any time; however, before making any such transfer, we will consider any possible adverse impact the transfer might have on the Separate Account. Subject to applicable law, we reserve the right to transfer our assets in the Separate Account to our General Account.

The Separate Account may not be the sole investor in the Funds. Investment in a Fund by other separate accounts in connection with variable annuity and variable life insurance contracts may create conflicts. See the Prospectus and SAI for the Funds for more information.

FEDERAL TAX ISSUES

The following summary of federal income tax issues is based on our understanding of current tax laws and regulations, which may be changed by legislative, judicial or administrative action. The summary is general in nature and is not intended as tax advice. Moreover, it does not consider any applicable foreign, state or local tax laws. We do not make any guarantee regarding the tax status, federal, foreign, state or local, of any Contract or any transaction involving the Contracts. Accordingly, you should consult a qualified tax advisor for complete information and advice before purchasing a Contract. Additional tax information is included in the SAI. We reserve the right to amend this Contract without the Owner’s consent to reflect any clarifications that may be needed or are appropriate to maintain its tax qualification or to conform this Contract to any applicable changes in the tax qualification requirements.

Diversification Requirements and Investor Control

Section 817(h) of the Code provides that the investments underlying a variable annuity must satisfy certain diversification requirements in order for the contract to be treated as an annuity contract and qualify for tax deferral. We believe the underlying Variable Investment Options for the contract meet these requirements. Details on these diversification requirements appear in the Fund SAIs.

In addition, for a variable annuity contract to qualify for tax deferral, assets in the separate accounts supporting the contract must be considered to be owned by the insurance company and not by the contract owner. Under current U.S. tax law, if a contract owner has excessive control over the investments made by a separate account, or the underlying fund, the contract owner will be taxed currently on income and gains from the account or fund. In other words, in such a case of investor control the contract owner would not derive the tax benefits normally associated with variable annuities. For more information regarding investor control, please refer to the contract SAI.

Taxation of Annuities – General Provisions

Section 72 of the Code governs the taxation of annuities in general, and we designed the Contracts to meet the requirements of Section 72 of the Code. We believe that, under current law, the Contract will be treated as an annuity for federal income tax purposes if the Contract Owner is a natural person or an agent for a natural person, and that we (as the issuing insurance company), and not the Contract Owner(s), will be treated as the owner of the investments underlying the Contract. Accordingly, no tax should be payable by you as a Contract Owner as a result of any increase in Contract Value until you receive money under your Contract. You should, however, consider how amounts will be taxed when you do receive them. The following discussion assumes that your Contract will be treated as an annuity for federal income tax purposes.

Non-Qualified Contracts – General Rules

These general rules apply to Non-Qualified Contracts. As discussed below, however, tax rules may differ for Qualified Contracts and you should consult a qualified tax advisor if you are purchasing a Qualified Contract.

Taxes Payable

A Contract Owner is not taxed on the increases in the value of a Contract until an amount is received or deemed to be received. An amount could be received or deemed to be received, for example, if there is a partial distribution, a lump sum distribution, an Annuity payment or a material change in the Contract or if any portion of the Contract is transferred, pledged or assigned. See the *Addition of Optional Rider or Material Change to Contract* section below. Increases in Contract Value that are received or deemed to be received are taxable to the Contract Owner as ordinary income. Distributions of net investment income or capital gains that each Subaccount receives from its corresponding Portfolio are automatically reinvested in such Portfolio unless we, on behalf of the Separate Account, elect otherwise. As noted above, you will be subject to federal income taxes on the investment income from your Contract only when it is distributed to you.

Beginning in 2013, any taxable distribution of the investment income from your Contract may also be subject to a net investment income tax of 3.8%. This tax applies to various investment income such as interest, dividends, royalties, payments from annuities, and the disposition of property, but only to the extent a taxpayer's modified adjusted gross income exceeds certain thresholds (\$200,000 for individuals/\$250,000 if married filing jointly). Please speak to your tax advisor about this tax.

Non-Natural Persons as Owners

If a contract is not owned or held by a natural person or as agent for a natural person, the contract generally will not be treated as an "annuity" for tax purposes, meaning that the contract owner will be subject to current tax on annual increases in Contract Value at ordinary income rates unless some other exception applies. Certain entities, such as some trusts, may be deemed to be acting as agents for natural persons. Corporations, including S corps, C corps, LLCs, partnerships and FLPs, and tax exempt entities are non-natural persons that will not be deemed to be acting as agents for natural persons.

Taxes Payable on Withdrawals Prior to the Annuity Date

Amounts you withdraw before annuitization, including amounts withdrawn from your Contract Value in connection with partial withdrawals for payment of any charges and fees, will be treated first as taxable income to the extent that your Contract Value exceeds the aggregate of your Purchase Payments reduced by non-taxable amounts previously received (investment in the Contract), and then as nontaxable recovery of your Purchase Payments. Therefore, you include in your gross income the smaller of: a) the amount of the partial withdrawal, or b) the amount by which your Contract Value immediately before you receive the distribution exceeds your investment in the Contract at that time.

Exceptions to this rule are distributions in full discharge of your Contract (a full surrender) or distributions from contracts issued and investments made before August 14, 1982.

If at the time of a partial withdrawal your Contract Value does not exceed your investment in the Contract, then the withdrawal will not be includable in gross income and will simply reduce your investment in the Contract.

The assignment or pledge of (or agreement to assign or pledge) the value of the Contract for a loan will be treated as a withdrawal subject to these rules. You should consult your tax advisor for additional information regarding taking a partial or a full distribution from your Contract.

Multiple Contracts (Aggregation Rule)

Multiple Non-Qualified Contracts that are issued after October 21, 1988, by us or our affiliates to the same Owner during the same calendar year are treated as one Contract for purposes of determining the taxation of distributions (the amount includable in gross income under Code Section 72(e)) prior to the Annuity Date from any of the Contracts. A Contract received in a tax-free exchange under Code Section 1035 may be treated as a new Contract for this purpose. For Contracts subject to the Aggregation Rule, the values of the Contracts and the investments in the Contracts should be added together to determine the taxation under Code Section 72(e). Withdrawals will be treated first as withdrawals of income until all of the income from all such Contracts is withdrawn. The Treasury Department has specific authority under Code Section 72(e)(11) to issue regulations to prevent the avoidance of the income-out-first rules for withdrawals prior to the Annuity Date through the serial purchase of Contracts or otherwise. As of the date of this Prospectus there are no regulations interpreting these aggregation provisions.

10% Tax Penalty Applicable to Certain Withdrawals and Annuity Payments

The Code provides that the taxable portion of a withdrawal or other distribution may be subject to a tax penalty equal to 10% of that taxable portion unless the withdrawal is:

- made on or after the date you reach age 59½,
- made by a Beneficiary after your death,
- attributable to your becoming disabled,
- any payments annuitized using a life contingent annuity option,
- attributable to an investment in the Contract made prior to August 14, 1982, or

- any distribution that is a part of a series of substantially equal periodic payments (Code Section 72(q) payments) made (at least annually) over your life (or life expectancy) or the joint lives (or life expectancies) of you and your designated beneficiary.

Additional exceptions may apply to certain Qualified Contracts (see *Taxes Payable on Annuity Payments* and the applicable **Qualified Contracts**).

Distributions After the Annuity Date

After you annuitize, a portion of each annuity payment you receive under a Contract generally will be treated as a partial recovery of Investments (as used here, “Investments” means the aggregate Purchase Payments less any amounts that were previously received under the Contract but not included in income) and will not be taxable. (In certain circumstances, subsequent modifications to an initially-established payment pattern may result in the imposition of a tax penalty.) The remainder of each annuity payment will be taxed as ordinary income. However, after the full amount of aggregate Investments has been recovered, the full amount of each annuity payment will be taxed as ordinary income. Exactly how an annuity payment is divided into taxable and non-taxable portions depends on the period over which annuity payments are expected to be received, which in turn is governed by the form of annuity selected and, where a lifetime annuity is chosen, by the life expectancy of the Annuitant(s) or payee(s). Such a payment may also be subject to a tax penalty if taken prior to age 59½.

For periodic (annuity) payments, we will default your state tax withholding (as applicable) based upon the marital status and allowance(s) provided for your federal taxes or, if no withholding instructions are provided, we will default to either a married person with 3 exemptions or your resident state’s prescribed withholding default (if applicable). Please consult with a tax advisor for additional information, including whether your resident state has a specific version of the W-4P form that should be submitted to us with state-specific income tax information.

Distributions to Beneficiary After Contract Owner’s Death

Generally, the same tax rules apply to amounts received by the Beneficiary as those that apply to the Contract Owner, except that the early withdrawal tax penalty does not apply. Thus, any annuity payments or lump sum withdrawal will be divided into taxable and non-taxable portions.

If death occurs after the Annuity Date, but before the expiration of a period certain option, the Beneficiary will recover the balance of the Investments as payments are made and may be allowed a deduction on the final tax return for the unrecovered Investments. A lump sum payment taken by the Beneficiary in lieu of remaining monthly annuity payments is not considered an annuity payment for tax purposes. The portion of any lump sum payment to a Beneficiary in excess of aggregate unrecovered Investments would be subject to income tax.

Contract Owner’s Estate

Generally, any amount payable to a Beneficiary after the Contract Owner’s death, whether before or after the Annuity Date, will be included in the estate of the Contract Owner for federal estate tax purposes. If the inclusion of the value of the Contract triggers a federal estate tax to be paid, the Beneficiary may be able to use a deduction called Income in Respect of Decedent (IRD) in calculating the income taxes payable upon receipt of the death benefit proceeds. In addition, designation of a non-spouse Beneficiary who either is 37½ or more years younger than a Contract Owner or is a grandchild of a Contract Owner may have Generation Skipping Transfer Tax (GSTT) consequences under section 2601 of the Code. You should consult with a qualified tax advisor if you have questions about federal estate tax, IRD, or GSTT.

Gifts of Annuity Contracts

Generally, gifts of Non-Qualified Contracts prior to the annuity start date will trigger tax reporting to the donor on the gain on the Contract, with the donee getting a stepped-up basis for the amount included in the donor’s income. The 10% early withdrawal tax penalty and gift tax also may be applicable. This provision does not apply to transfers between spouses or incident to a divorce, or transfers to and from a trust acting as agent for the Owner or the Owner’s spouse.

Tax Withholding for Non-Qualified Contracts

Unless you elect to the contrary, any amounts you receive under your Contract that are attributable to investment income will be subject to withholding to meet federal income tax obligations. For nonperiodic distributions, you will have the option to provide us with withholding information at the time of your withdrawal request. If you do not provide us with withholding information, we will generally withhold 10% of the taxable distribution amount and remit it to the IRS. For periodic (annuity) payments, the rate of withholding will be determined on the basis of the withholding information you provide to us. If you do not provide us with withholding information, we are required to determine the Federal income tax withholding, from every annuity payment, as if you are a married person with 3 exemptions. State and local withholding may apply different defaults and will be determined by applicable law.

Certain states have indicated that pension and annuity withholding will apply to payments made to residents.

Please call (800) 722-4448 with any questions about the required withholding information. Financial advisors may call us at (800) 722-2333.

Tax Withholding for Non-resident Aliens or Non U.S. Persons

Taxable distributions to Contract Owners who are non-resident aliens or other non U.S. persons are generally subject to U.S. federal income tax withholding at a 30% rate, unless a lower treaty rate applies. Prospective foreign owners are advised to consult with a tax advisor regarding the U.S., state and foreign tax treatment of a Contract. Currently, we require all Contract Owners to be a U.S. person (citizen) or a U.S. resident alien.

Exchanges of Non-Qualified Contracts (1035 Exchanges)

You may make your initial or an additional Purchase Payment through an exchange of an existing annuity contract or endowment life insurance contract pursuant to Section 1035 of the Code (a 1035 exchange). The exchange can be effected by completing the Transfer/Exchange form, indicating in the appropriate section of the form that you are making a 1035 exchange and submitting any applicable state replacement form. The form is available by calling your financial advisor, by calling our Contract Owner number at (800) 722-4448, or on our website at www.PacificLife.com. Financial advisors can call (800) 722-2333. Once completed, the form should be mailed to us. If you are making an initial Purchase Payment, a completed Contract application should also be attached.

In general terms, Section 1035 of the Code provides that no gain or loss is recognized when you exchange one annuity or life insurance contract for another annuity contract. Transactions under Section 1035, however, may be subject to special rules and may require special procedures and record keeping, particularly if the exchanged annuity contract was issued prior to August 14, 1982. You should consult your tax advisor prior to affecting a 1035 exchange.

Partial 1035 Exchanges and Annuitization

A partial exchange is the direct transfer of only a portion of an existing annuity's Contract Value to a new annuity contract. Under Rev. Proc. 2011-38 a partial exchange will be treated as tax-free under Code Section 1035 if there are no distributions, from either annuity, within 180 calendar days after the partial 1035 exchange. Any distribution taken during the 180 calendar days may jeopardize the tax-free treatment of the partial exchange. Such determination will be made by the IRS, using general tax principals, to determine the substance, and thus the treatment of the transaction. In addition, annuity payments that are based on one or more lives or for a period of 10 or more years (as described in Code Section 72(a)(2)) will not be treated as a distribution from either the old or new contract when determining whether the tax treatment described in Rev. Proc. 2011-38 will apply. Rev. Proc. 2011-38 applies to partial exchanges and partial annuitizations *on or after* October 24, 2011.

You should consult your tax advisor prior to affecting a partial 1035 exchange or a partial annuitization.

Impact of Federal Income Taxes

In general, in the case of Non-Qualified Contracts, if you are an individual and expect to accumulate your Contract Value over a relatively long period of time without making significant withdrawals, there may be federal income tax advantages in purchasing such a Contract. This is because any increase in Contract Value is not subject to current taxation. Income taxes are deferred until the money is withdrawn, at which point taxation occurs only on the gain from the investment in the Contract. With income taxes deferred, you may accumulate more money over the long term through a variable annuity than you may through non-tax-deferred investments. The advantage may be greater if you decide to liquidate your Contract Value in the form of monthly annuity payments after your retirement, or if your tax rate is lower at that time than during the period that you held the Contract, or both.

When withdrawals or distributions are taken from the variable annuity, the gain is taxed as ordinary income. This may be a potential disadvantage because money that had been invested in other types of assets may qualify for a more favorable federal tax rate. For example, the tax rate applicable both to the sale of capital gain assets held more than 1 year and to the receipt of qualifying dividends by individuals is a maximum of 20% (as low as 0% for lower-income individuals). In contrast, an ordinary income tax rate of up to 37% applies to taxable withdrawals on distributions from a variable annuity. Also, withdrawals or distributions taken from a variable annuity prior to attaining age 59½ may be subject to a tax penalty equal to 10% of the taxable portion, although exceptions to the tax penalty may apply.

An owner of a variable annuity cannot deduct or offset losses on transfers to or from Subaccounts, or at the time of any partial withdrawals. Additionally, if you surrender your Contract and your Net Contract Value is less than the aggregate of your investments in the Contract (reduced by any previous non-taxable distributions), you cannot deduct the ordinary income loss as a miscellaneous itemized deduction subject to the 2% floor of AGI. This provision of the 2017 Tax Cuts and Jobs Act is effective for taxable years beginning after December 31, 2017 and sunsets after 2025. Consult with your tax advisor regarding the impact of federal income taxes on your specific situation.

Taxes on Pacific Life

Although the Separate Account is registered as an investment company, it is not a separate taxpayer for purposes of the Code. The earnings of the Separate Account are taxed as part of our operations. No charge is made against the Separate Account for our federal income taxes (excluding the charge for premium taxes), but we will review, periodically, the question of charges to the Separate Account or your Contract for such taxes. Such a charge may be made in future years for any federal income taxes that would be attributable to the Separate Account or to our operations with respect to your Contract, or attributable, directly or indirectly, to investments in your Contract.

Under current law, we may incur state and local taxes (in addition to premium taxes) in several states. At present, these taxes are not significant and they are not charged against the Contract or the Separate Account. If there is a material change in applicable state or local tax laws, the imposition of any such taxes upon us that are attributable to the Separate Account or to our operations with respect to your Contract may result in a corresponding charge against the Separate Account or your Contract.

Given the uncertainty of future changes in applicable federal, state or local tax laws, we cannot appropriately describe the effect a tax law change may have on taxes that would be attributable to the Separate Account or your Contract.

Qualified Contracts – General Rules

The Contracts are available to a variety of Qualified Plans and IRAs. Tax restrictions and consequences for Contracts under each type of Qualified Plan and IRAs differ from each other and from those for Non-Qualified Contracts. No attempt is made herein to provide more than general information about the use of the Contract with the various types of Qualified Plans and IRAs. Participants under such Qualified Plans, as well as Contract Owners, Annuitants and Beneficiaries, are cautioned that the rights of any person to any benefits under such Qualified Plans may be subject to the terms and conditions of the Plans themselves or limited by applicable law, regardless of the terms and conditions of the Contract issued in connection therewith.

Tax Deferral

It is important to know that Qualified Plans such as 401(k)s, as well as IRAs, are already tax-deferred. Therefore, an annuity contract should be used to fund an IRA or Qualified Plan to benefit from the annuity's features other than tax deferral. Other benefits of using a variable annuity to fund a Qualified Plan or an IRA include the lifetime income options, guaranteed death benefit options and the ability to transfer among Investment Options without sales or withdrawal charges. You should consider if the Contract is a suitable investment if you are investing through a Qualified Plan or IRA.

Taxes Payable

Generally, amounts received from Qualified Contracts are taxed as ordinary income under Section 72, to the extent that they are not treated as a tax free recovery of after-tax contributions (if any). Amounts you withdraw before annuitization, including amounts withdrawn from your Contract Value in connection with partial withdrawals for payment of any charges and fees, will be treated as ordinary income. Different rules apply for Roth IRAs. Consult your tax advisor before requesting a distribution from a Qualified Contract.

10% Tax Penalty for Early Withdrawals

Generally, distributions from IRAs and Qualified Plans that occur before you attain age 59½ are subject to a 10% tax penalty imposed on the amount of the distribution that is includable in gross income, with certain exceptions. These exceptions include distributions:

- made to a beneficiary after the owner's/participant's death,
- attributable to the owner/participant becoming disabled under Section 72(m)(7),
- that are part of a series of substantially equal periodic payments (also referred to as SEPPs or 72(t) payments) made (at least annually) over your life (or life expectancy) or the joint lives (or joint life expectancies) of you and your designated beneficiary,
- for certain higher education expenses (IRAs only),
- used to pay for certain health insurance premiums or medical expenses (IRAs only),
- for costs related to the purchase of your first home (IRAs only), and
- (except for IRAs) made to an employee after separation from service if the employee separates from service during or after the calendar year in which he or she attains age 55 (or age 50 in the case of a qualified public safety employee).

Tax Withholding for Qualified Contracts

Distributions from a Contract under a Qualified Plan (not including an individual retirement annuity subject to Code Section 408 or Code Section 408A) to an employee, surviving spouse, or former spouse who is an alternate payee under a qualified domestic relations order, in the form of a lump sum settlement or periodic annuity payments for a fixed period of fewer than 10 years are subject to mandatory income tax withholding of 20% of the taxable amount of the distribution, unless:

- the distributee directs the transfer of such amounts in cash to another Qualified Plan or a traditional IRA, or
- the payment is a minimum distribution required under the Code.

The taxable amount is the amount of the distribution less the amount allocable to after-tax contributions. All other types of taxable distributions are subject to 10% federal withholding unless the distributee elects not to have withholding apply.

For periodic (annuity) payments, the rate of withholding will be determined on the basis of the withholding information you provide to us. If you do not provide us with withholding information, we are required to determine the Federal income tax withholding, from every annuity payment, as if you are a married person with 3 exemptions. State and local withholding may apply different defaults and will be determined by applicable law.

Certain states have indicated that pension and annuity withholding will apply to payments made to residents.

Required Minimum Distributions

Treasury Regulations provide that you cannot keep assets in Qualified Plans or IRAs indefinitely. Eventually they are required to be distributed; at that time (the Required Beginning Date (RBD)), Required Minimum Distributions (RMDs) are the amount that must be distributed each year. The information below is for Qualified Contracts held in either a Qualified Plan, or IRA, prior to the annuity start date.

Under Section 401 of the Code (for Qualified Plans) and Section 408 of the Code (for IRAs), the entire interest under the Contract must be distributed to the Owner/Annuitant no later than the Owner/Annuitant's RBD, or distributions over the life of the Owner/Annuitant (or the Owner/Annuitant and his beneficiary) must begin no later than the RBD.

The RBD for distributions from a Qualified Contract maintained for an IRA under Section 408 of the Code is generally April 1 of the calendar year following the year in which the Owner/Annuitant reaches age 70½. The RBD for a Qualified Contract maintained for a qualified retirement or pension plan under Section 401 of the Code or a Section 403(b) annuity is April 1 of the calendar year following the later of the year in which the Owner/Annuitant reaches age 70½, or, if the plan so provides, the year in which the Owner/Annuitant retires. There is no RBD for a Roth IRA maintained pursuant to Section 408A of the Code.

The Treasury Regulations require that all IRA holders and Qualified Plan Participants (with one exception discussed below) use the Uniform Lifetime Table to calculate their RMDs.

The Uniform Lifetime Table is based on a joint life expectancy and uses the IRA owner's actual age and assumes that the beneficiary is 10 years younger than the IRA owner. Note that under these Regulations, the IRA owner does not need to actually have a named beneficiary when they turn age 70½.

The exception noted above is for an IRA owner who has a spouse, who is more than 10 years younger, as the sole beneficiary on the IRA. In that situation, the spouse's actual age (and life expectancy) will be used in the joint life calculation.

If the Owner/Annuitant dies prior to his RBD or complete distribution from the Qualified Contract, the remainder shall be distributed as provided in the "Qualified Contract Distribution Rules" section of this Prospectus. For non-spouse beneficiaries, life expectancy is initially computed by use of the Single Life Table of the Regulations (Treas. Reg. Sec. 1.401(a)(9)-9). Subsequent life expectancy shall be calculated by reducing the life expectancy of the Beneficiary by one in each following calendar year.

The method of distribution selected must comply with the minimum distribution rules of Code Section 401(a)(9), and the applicable Regulations thereunder.

Actuarial Value

In accordance with Treasury Regulations, RMDs and Roth IRA conversions may be calculated based on the sum of the contract value and the actuarial value of any additional death benefits and benefits from optional riders that you have purchased under the Contract. As a result, RMDs and taxes due on Roth IRA Conversions may be larger than if the calculation were based on the contract value only, which may in turn result in an earlier (but not before the required beginning date) distribution under the Contract and an increased amount of taxable income distributed to the contract owner, and a reduction of death benefits and the benefits of any optional riders.

RMDs and Annuity Options

For retirement plans that qualify under Section 401 or 408 of the Code, the period elected for receipt of RMDs as annuity payments under Annuity Options 2 and 4 generally may be:

- no longer than the joint life expectancy of the Annuitant and Beneficiary in the year that the Annuitant reaches age 70½, and
- must be shorter than such joint life expectancy if the Beneficiary is not the Annuitant's spouse and is more than 10 years younger than the Annuitant.

Under Annuity Option 3, if the Beneficiary is not the Annuitant's spouse and is more than 10 years younger than the Annuitant, the 66 2/3% and 100% elections specified below may not be available. The restrictions on options for retirement plans that qualify under Sections 401 and 408 also apply to a retirement plan that qualifies under Code Section 403(b) with respect to amounts that accrued after December 31, 1986.

Annuity payments made on or after January 1st of the year the Owner/Annuity turns 70 ½ are considered RMDs and are therefore not eligible rollover distributions. The Owner/Annuitant may not request a direct or indirect rollover of any annuity payment made on or after this date.

Loans

Certain Owners of Qualified Contracts may borrow against their Contracts. Otherwise loans from us are not permitted. You may request a loan from us, using your Contract Value as your only security if yours is a Qualified Contract that is:

- not subject to Title 1 of ERISA,

- issued under Section 403(b) of the Code, and
- issued under a Plan that permits Loans (a “Loan Eligible Plan”).

You may have only one loan outstanding at any time. The minimum loan amount is \$1,000, subject to certain state limitations. Your Contract Debt at the effective date of your loan may not exceed the *lesser* of:

- 50% of the amount available for withdrawal under this Contract (see **WITHDRAWALS – Optional Withdrawals – Amount Available for Withdrawal**), or
- \$50,000 less your highest outstanding Contract Debt during the 12-month period immediately preceding the effective date of your loan.

If your request for a loan is processed, you will be charged interest on your Contract Debt at a fixed annual rate equal to 5%. The amount held in the Loan Account to secure your loan will earn a return equal to an annual rate of 3%. The net amount of interest you pay on your loan will be 2% annually.

Interest charges accrue on your Contract Debt daily, beginning on the effective date of your loan. Interest earned on the Loan Account Value accrues daily beginning on the calendar day following the effective date of the loan, and those earnings will be transferred once a year to your Investment Options in accordance with your most recent allocation instructions. Your loan, including principal and accrued interest, generally must be repaid in quarterly installments and loan repayments are not considered Purchase Payments. For more information about loans, including the consequences of loans, loan procedures, loan terms and repayment terms, see the SAI.

We may change these loan provisions to reflect changes in the Code or interpretations thereof. **We urge you to consult with a qualified tax advisor prior to effecting any loan transaction under your Contract.**

IRAs and Qualified Plans

The following is only a general discussion about types of IRAs and Qualified Plans for which the Contracts are available. We are not the administrator of any Qualified Plan. The plan administrator and/or custodian, whichever is applicable, (but not us) is responsible for all Plan administrative duties including, but not limited to, notification of distribution options, disbursement of Plan benefits, handling any processing and administration of Qualified Plan loans, compliance regulatory requirements and federal and state tax reporting of income/distributions from the Plan to Plan participants and, if applicable, Beneficiaries of Plan participants and IRA contributions from Plan participants. Our administrative duties are limited to administration of the Contract and any disbursements of any Contract benefits to the Owner, Annuitant, or Beneficiary of the Contract, as applicable. Our tax reporting responsibility is limited to federal and state tax reporting of income/distributions to the applicable payee and IRA contributions from the Owner of a Contract, as recorded on our books and records. The Qualified Plan (the plan administrator or the custodian) is required to provide us with information regarding individuals with signatory authority on the Contract(s) owned. If you are purchasing a Qualified Contract, you should consult with your plan administrator and/or a qualified tax advisor. You should also consult with a qualified tax advisor and/or plan administrator before you withdraw any portion of your Contract Value.

Individual Retirement Annuities (“IRAs”)

In addition to “traditional” IRAs established under Code Section 408, there are SEP IRAs under Code Section 408(k), Roth IRAs governed by Code Section 408A and SIMPLE IRAs established under Code Section 408(p). Also, Qualified Plans under Section 401, 403(b), or 457(b) of the Code that include after-tax employee contributions may be treated as deemed IRAs subject to the same rules and limitations as traditional IRAs. Contributions to each of these types of IRAs are subject to differing limitations. The following is a very general description of each type of IRA and other Qualified Plans.

Traditional IRAs

Traditional IRAs are subject to limitations on the amount that may be contributed each year, the persons who may be eligible to contribute, when rollovers are available and when distributions must commence. Depending upon the circumstances of the individual, contributions to a traditional IRA may be made on a deductible or non-deductible basis.

Annual contributions are generally allowed for persons who have not attained age 70½ (we do not accept additional contributions during the calendar year the Owner reaches age 70½) and who have compensation (as defined by the Code) of at least the contribution amount. Distributions of minimum amounts specified by the Code and Treasury Regulations must commence by April 1 of the calendar year following the calendar year in which you attain age 70½. Failure to make mandatory minimum distributions may result in imposition of a 50% tax penalty on any difference between the required distribution amount and the amount actually distributed. Additional distribution rules apply after your death.

You (or your surviving spouse if you die) may rollover funds (such as proceeds from existing insurance policies, annuity contracts or securities) from certain existing Qualified Plans into your traditional IRA if those funds are in cash. This will require you to liquidate any value accumulated under the existing Qualified Plan. Mandatory withholding of 20% may apply to any rollover distribution from your existing Qualified Plan if the distribution is not transferred directly to your traditional IRA. To avoid this withholding you should have cash transferred directly from the insurance company or plan trustee to your traditional IRA.

SIMPLE IRAs

The Savings Incentive Match Plan for Employees of Small Employers (“SIMPLE Plan”) is a type of IRA established under Code Section 408(p)(2). Depending upon the SIMPLE Plan, employers may make plan contributions into a SIMPLE IRA established by each participant of the SIMPLE Plan. Like other IRAs, a 10% tax penalty is imposed on certain distributions that occur before an employee attains age 59½. In addition, the tax penalty is increased to 25% for amounts received or rolled to another IRA or Qualified Plan during the 2-year period beginning on the date an employee first participated in a qualified salary reduction arrangement pursuant to a SIMPLE Plan maintained by their employer. Contributions to a SIMPLE IRA will generally include employee salary deferral contributions and employer contributions. Distributions from a SIMPLE IRA may be transferred to another SIMPLE IRA tax free or may be eligible for tax free rollover to a traditional IRA, 403(b), a 457(b) or other Qualified Plan after the required 2-year period.

SEP-IRAs

A Simplified Employee Pension (SEP) is an employer sponsored retirement plan under which employers are allowed to make contributions toward their employees’ retirement, as well as their own retirement (if the employer is self-employed). A SEP is a type of IRA established under Code Section 408(k). Under a SEP, a separate IRA account called a SEP-IRA is set up by or for each eligible employee and the employer makes the contribution to the account. Like other IRAs, a 10% tax penalty is imposed on certain distributions that occur before an employee attains age 59½.

Roth IRAs

Section 408A of the Code permits eligible individuals to establish a Roth IRA. Contributions to a Roth IRA are not deductible, but withdrawals of amounts contributed and the earnings thereon that meet certain requirements are not subject to federal income tax. In general, Roth IRAs are subject to limitations on the amount that may be contributed and the persons who may be eligible to contribute and are subject to certain required distribution rules on the death of the Contract Owner. Unlike a traditional IRA, Roth IRAs are not subject to minimum required distribution rules during the Contract Owner’s lifetime. Generally, however, the amount remaining in a Roth IRA must be distributed by the end of the fifth year after the death of the Contract Owner/Annuitant or distributed over the life expectancy of the Designated Beneficiary. The owner of a traditional IRA may convert a traditional IRA into a Roth IRA under certain circumstances. The conversion of a traditional IRA to a Roth IRA will subject the amount of the converted traditional IRA to federal income tax. Anyone considering the purchase of a Qualified Contract as a Roth IRA or a “conversion” Roth IRA should consult with a qualified tax advisor.

In accordance with recent changes in laws and regulations, at the time of either a full or partial conversion from a Traditional IRA annuity to a Roth IRA annuity, the determination of the amount to be reported as income will be based on the annuity contract’s “fair market value”, which will include all front-end loads and other non-recurring charges assessed in the 12 months immediately preceding the conversion, and the actuarial present value of any additional contract benefits.

One IRA Rollover Per Year

Effective January 1, 2015, the IRS will only permit a taxpayer to complete one 60-day indirect IRA-to-IRA rollover per 12 month period. This means that a taxpayer could not make a 60-day indirect IRA-to-IRA rollover if he or she had made such a rollover involving any of the taxpayer's IRAs in the preceding 1-year period. The limit will apply by aggregating all of the individual’s IRAs, including SEP and SIMPLE IRAs as well as traditional and Roth IRAs, effectively treating them as one IRA for purposes of the limit. This rule does not affect the ability of an IRA owner to transfer funds from one IRA trustee directly to another, because such a transfer is not a rollover (but rather a direct transfer) and therefore, is not subject to the one-rollover-per-year limitation of Code Section 408(d)(3)(B). For additional information, see IRS Announcements 2014-15 and 2014-32. Always confirm with your own tax advisor whether this rule impacts your circumstances.

401(k) Plans; Pension and Profit-Sharing Plans

Qualified Plans may be established by an employer for certain eligible employees under Section 401 of the Code. These plans may be 401(k) plans, profit-sharing plans, or other pension or retirement plans. Contributions to these plans are subject to limitations. Rollover to other eligible plans may be available. Please consult your Qualified Plans Summary Plan description for more information.

Tax Sheltered Annuities (“TSAs”)

Employees of certain tax-exempt organizations, such as public schools or hospitals, may defer compensation through an eligible plan under Code Section 403(b). Salary deferral amounts received from employers for these employees are excludable from the employees’ gross income (subject to maximum contribution limits). Distributions under these Contracts must comply with certain limitations as to timing, or result in tax penalties. Distributions from amounts contributed to a TSA pursuant to a salary reduction arrangement, may be made from a TSA only upon attaining age 59½, severance from employment, death, disability, or financial hardship. Code Section 403(b) annuity distributions can be rolled over to other Qualified Plans in a manner similar to those permitted by Qualified Plans that are maintained pursuant to Section 401 of the Code.

In accordance with Code Section 403(b) and the regulations, we are required to provide information regarding contributions, loans, withdrawals, and hardship distributions from your Contract to your 403(b) employer or an agent of your 403(b) employer, upon request. In addition, prior to processing your request for certain transactions, we are required to verify certain information about you with your 403(b) employer (or if applicable, former 403(b) employer) which may include obtaining authorization from either your employer or your employer’s third party administrator.

Section 457(b) Non-Qualified Deferred Compensation Plans

Certain employees of governmental entities or tax exempt employers may defer compensation through an eligible plan under Code Section 457(b). Contributions to a Contract of an eligible plan are subject to limitations. Subject to plan provisions and a qualifying triggering event, assets in a 457(b) plan established by a governmental entity may be transferred or rolled into an IRA or another Qualified Plan, if the Qualified Plan allows the transfer or rollover. If a rollover to an IRA is completed, the assets become subject to IRA rules, including the 10% penalty on distributions prior to age 59½. Assets from other plans may be rolled into a governmental 457(b) plan if the 457(b) plan allows the rollover and if the investment provider is able to segregate the assets for tax reporting purposes. Consult both the distributing plan and the receiving plan prior to making this election. Assets in a 457(b) plan set up by a tax exempt employer may not be rolled to a different type of Qualified Plan or IRA at any time.

ADDITIONAL INFORMATION

Voting Rights

We are the legal owner of the shares of the Portfolios held by the Subaccounts. We may vote on any matter voted on at shareholders' meetings of the Funds. However, our current interpretation of applicable law requires us to vote the number of shares attributable to your Variable Account Value (your "voting interest") in accordance with your directions.

We will pass proxy materials on to you so that you have an opportunity to give us voting instructions for your voting interest. You may provide your instructions by proxy or in person at the shareholders' meeting. If there are shares of a Portfolio held by a Subaccount for which we *do not* receive timely voting instructions, we will vote those shares in the same proportion as all other shares of that Portfolio held by that Subaccount for which we *have* received timely voting instructions. If we do not receive any voting instructions for the shares in a Separate Account, we will vote the shares in that Separate Account in the same proportion as the total votes for all of our separate accounts for which we've received timely instructions. If we hold shares of a Portfolio in our General Account, we will vote such shares in the same proportion as the total votes cast for all of our separate accounts, including Separate Account B. We will vote shares of any Portfolio held by our non-insurance affiliates in the same proportion as the total votes for all separate accounts of ours and our insurance affiliates. As a result of proportional voting, the votes cast by a small number of Contract Owners may determine the outcome of a vote.

We may elect, in the future, to vote shares of the Portfolios held in Separate Account B in our own right if we are permitted to do so through a change in applicable federal securities laws or regulations, or in their interpretation.

The number of Portfolio shares that form the basis for your voting interest is determined as of the record date set by the Board of Trustees of the Fund. It is equal to:

- your Contract Value allocated to the Subaccount corresponding to that Portfolio, divided by
- the net asset value per share of that Portfolio.

Fractional votes will be counted. We reserve the right, if required or permitted by a change in federal regulations or their interpretation, to amend how we calculate your voting interest.

After your Annuity Date, if you have selected a variable annuity, the voting rights under your Contract will continue during the payout period of your annuity, but the number of shares that form the basis for your voting interest, as described above, will decrease throughout the payout period.

Changes to Your Contract

Contract Owner(s) and Contingent Owner

Transfer of Contract ownership may involve federal income tax and/or gift tax consequences; you should consult a qualified tax advisor before effecting such a transfer. A change to or from joint Contract ownership is considered a transfer of ownership. If your Contract is Non-Qualified, you may change Contract ownership at any time while the Annuitant is living and prior to your Annuity Date. You may name a different Owner or add or remove a Joint Owner or Contingent Owner. A Contract cannot name more than two Contract Owners (either as Joint or Contingent Owners) at any time. Any newly-named Contract Owners, including Joint and/or Contingent Owners, must be under the age of 86 at the time of change or addition. Additionally, further age limitations may apply if the Contract was issued with an optional death benefit rider. The Contract Owner(s) may make all decisions regarding the Contract, including making allocation decisions and exercising voting rights. Transactions under a Contract with Joint Owners require approval from both Owners. In addition, Contract ownership changes may terminate certain optional living benefit riders. See the *Termination* subsection for a particular optional living benefit rider. Work with your financial advisor prior to making any ownership changes.

If your Contract is Qualified under Code Sections 401 or 457(b), the Qualified Plan must be the sole Owner of the Contract and the ownership cannot be changed unless and until a triggering event has been met under the terms of the Qualified Plan. Upon such event, the ownership can only be changed to the Annuitant. If your Contract is Qualified under Code Sections 408 and 403(b), you must be the sole Owner of the Contract and no changes can be made.

Annuitant and Contingent or Joint Annuitant

Your sole Annuitant cannot be changed, and Joint Annuitants cannot be added or changed, once your Contract is issued. Certain changes may be permitted in connection with Contingent Annuitants. See **ANNUITIZATION – Selecting Your Annuitant**. There may be limited exceptions for certain Qualified Contracts.

Beneficiaries

Your Beneficiary is the person(s) or entity who may receive death benefit proceeds under your Contract before the Annuity Date or any remaining annuity payments after the Annuity Date if the Annuitant or Owner dies. See the **DEATH BENEFITS** section for additional information regarding death benefit payouts. You may change or remove your Beneficiary or add Beneficiaries at any time prior to the death of the Annuitant or Owner, as applicable. Any change or addition will generally take effect only when we receive all necessary documents, In Proper Form, and we record the change or addition. Any change or addition will not affect any payment made or any other action taken by us before the change or addition was received and recorded. Under our administrative procedures, a signature guarantee and/or other verification of identity or authenticity may be required when processing a claim payable to a Beneficiary.

Spousal consent may be required to change an IRA Beneficiary. If you are considering removing a spouse as a Beneficiary, it is recommended that you consult your legal or tax advisor regarding any applicable state or federal laws prior to requesting the change. If you have named your Beneficiary irrevocably, you will need to obtain that Beneficiary's consent before making any changes. Qualified Contracts may have additional restrictions on naming and changing Beneficiaries. If your Contract was issued in connection with a Qualified Plan subject to Title I of ERISA, contact your Plan Administrator for details. We require that Contracts issued under Code Sections 401 and 457(b) name the Plan as Beneficiary. If the Plan is unable to set up a trust account for Beneficiary payouts, we will pay the designated Plan Beneficiary under certain conditions. If you leave no surviving Beneficiary or Contingent Beneficiary, your estate will receive any death benefit proceeds under your Contract.

Changes to All Contracts

If, in the judgment of our management, continued investment by Separate Account B in one or more of the Portfolios becomes unsuitable or unavailable, we may seek to alter the Variable Investment Options available under the Contracts. We do not expect that a Portfolio will become unsuitable, but unsuitability issues could arise due to changes in investment policies, market conditions, tax laws, or due to marketing or other reasons.

Alterations of Variable Investment Options may take differing forms. We reserve the right to substitute shares of any Portfolio that were already purchased under any Contract (or shares that were to be purchased in the future under a Contract) with shares of another Portfolio, shares of another investment company or series of another investment company, or another investment vehicle. Required approvals of the SEC and applicable state insurance regulators will be obtained before any such substitutions are effected, and you will be notified of any planned substitution.

We may add new Subaccounts to Separate Account B and any new Subaccounts may invest in Portfolios of a Fund or in other investment vehicles. Availability of any new Subaccounts to existing Contract Owners will be determined at our discretion. We will notify you, and will comply with the filing or other procedures established by applicable state insurance regulators, to the extent required by applicable law. We also reserve the right, after receiving any required regulatory approvals, to do any of the following:

- cease offering any Subaccount;
- combine Subaccounts;
- delete or substitute Subaccounts;
- combine Separate Account B or part of it with another of our separate accounts or with any of our affiliates' separate accounts;
- transfer Separate Account B assets attributable to the Contracts to another of our separate accounts;
- deregister the Separate Account under the 1940 Act;
- operate Separate Account B as a management investment company under the 1940 Act or another form permitted by law;
- establish a committee, board or other group to manage aspects of the Separate Account's operations;
- make any changes required by the 1940 Act or other federal securities laws;
- make any changes necessary to maintain the status of the Contracts as annuities under the Code;
- make other changes required under federal or state law relating to annuities; and
- suspend or discontinue sale of the Contracts.

Inquiries and Submitting Forms and Requests

You may reach our service representatives at (800) 722-4448 between the hours of 6:00 a.m. and 5:00 p.m., Pacific time on any Business Day. Financial advisors may call us at (800) 722-2333.

Please send your forms and written requests or questions to our Service Center:

Pacific Life Insurance Company
P.O. Box 2378
Omaha, Nebraska 68103-2378

If you are submitting a Purchase Payment or other payment by mail, please send it, along with your application if you are submitting one, to our Service Center at the following address:

Pacific Life Insurance Company
P.O. Box 2290
Omaha, Nebraska 68103-2290

If you are using an overnight delivery service to send payments, please send them to our Service Center at the following address:

Pacific Life Insurance Company
6750 Mercy Road, 4th Floor, RSD
Omaha, Nebraska 68106

The effective date of certain notices or of instructions is determined by the date and time on which we receive the notice or instructions In Proper Form. In those instances when we receive electronic transmission of the information on the application from your financial advisor's broker-dealer firm and our administrative procedures with your broker-dealer so provide, we consider the application to be received on the Business Day we receive the transmission. In those instances when information regarding your Purchase Payment is electronically transmitted to us by the broker-dealer, we will consider the Purchase Payment to be received by us on the Business Day we receive the transmission of the information. Please call us if you or your financial advisor have any questions regarding which address you should use.

We reserve the right to process any Purchase Payment received at an incorrect address when it is received at either the address indicated in your Contract specification pages or the appropriate address indicated in the Prospectus.

Purchase Payments after your initial Purchase Payment, loan requests, transfer requests, loan repayments and withdrawal requests we receive before the close of the New York Stock Exchange, which usually closes at 4:00 p.m. Eastern time, will be effective at the end of the same Business Day that we receive them In Proper Form unless the transaction or event is scheduled to occur on another Business Day. Generally, whenever you submit any other form, notice or request, your instructions will be effective on the next Business Day after we receive them In Proper Form unless the transaction or event is scheduled to occur on another Business Day. We may also require, among other things, a signature guarantee or other verification of authenticity. We do not generally require a signature guarantee unless it appears that your signature may have changed over time or the signature does not appear to be yours; or an executed application or confirmation of application, as applicable, In Proper Form is not received by us; or, to protect you or us. Requests regarding death benefit proceeds must be accompanied by both proof of death and instructions regarding payment In Proper Form. You should call your financial advisor or us if you have questions regarding the required form of a request.

Telephone and Electronic Transactions

You are automatically entitled to make certain transactions by telephone or, to the extent available, electronically. You may also authorize other people to make certain transaction requests by telephone or, to the extent available, electronically by so indicating on the application or by sending us instructions in writing in a form acceptable to us. We cannot guarantee that you or any other person you authorize will always be able to reach us to complete a telephone or electronic transaction; for example, all telephone lines may be busy or access to our website may be unavailable during certain periods, such as periods of substantial market fluctuations or other drastic economic or market change, or telephones or the Internet may be out of service or unavailable during severe weather conditions or other emergencies. Under these circumstances, you should submit your request in writing (or other form acceptable to us). Transaction instructions we receive by telephone or electronically before the close of the New York Stock Exchange, which usually closes at 4:00 p.m. Eastern time, on any Business Day will usually be effective at the end of that day, and we will provide you confirmation of each telephone or electronic transaction.

We have established procedures reasonably designed to confirm that instructions communicated by telephone or electronically are genuine. These procedures may require any person requesting a telephone or electronic transaction to provide certain personal identification upon our request. We may also record all or part of any telephone conversation with respect to transaction instructions. We reserve the right to deny any transaction request made by telephone or electronically. You are authorizing us to accept and to act upon instructions received by telephone or electronically with respect to your Contract, and you agree that, so long as we comply with our procedures, neither we, any of our affiliates, nor any Fund, or any of their directors, trustees, officers, employees or agents will be liable for any loss, liability, cost or expense (including attorneys' fees) in connection with requests that we believe to be genuine. This policy means that so long as we comply with our procedures, you will bear the risk of loss arising out of the telephone or electronic transaction privileges of your Contract. If a Contract has Joint Owners, each Owner may individually make telephone and/or electronic transaction requests.

The authorization to make transactions by telephone or, to the extent available, electronically, will terminate when we receive notification of your death, and telephone or electronic transactions will no longer be accepted.

Electronic Information Consent

Subject to availability, you may authorize us to provide prospectuses, prospectus supplements, reports, annual statements, statements and immediate confirmations, tax forms, proxy solicitations, privacy notice and other notices and documentation in electronic format when available instead of receiving paper copies of these documents by U.S. mail. You may enroll in this service by so indicating on the application, via our Internet website, or by sending us instructions in writing in a form acceptable to us to receive such documents electronically. Not all contract documentation and notifications may be currently available in electronic format. You will continue to receive paper copies of any documents and notifications not available in electronic format by U.S. mail. For jointly owned contracts, both owners are consenting to receive information electronically. Documents will be available on our Internet website. As documents become available, we will notify you of this by sending you an e-mail message that will include instructions on how to retrieve the document. You must have ready access to a computer with Internet access, an active e-mail account to receive this information electronically, and the ability to read and retain it. You may access and print all documents provided through this service.

If you plan on enrolling in this service, or are currently enrolled, please note that:

- There is no charge for electronic delivery, although your Internet provider may charge for Internet access.
- You should provide a current e-mail address and notify us promptly when your e-mail address changes.
- You should update any e-mail filters that may prevent you from receiving e-mail notifications from us.
- You may request a paper copy of the information at any time for no charge, even though you consented to electronic delivery, or if you decide to revoke your consent.
- For jointly owned contracts, all information will be provided to the e-mail address that is provided to us.
- Electronic delivery will be cancelled if e-mails are returned undeliverable.
- This consent will remain in effect until you revoke it.

If you are currently enrolled in this service, please call (800) 722-4448 if you would like to revoke your consent, wish to receive a paper copy of the information above, or need to update your e-mail address. You may opt out of electronic delivery at any time.

Timing of Payments and Transactions

For withdrawals, including exchanges under Code Section 1035 and other Qualified transfers, from the Variable Investment Options or for death benefit payments attributable to your Variable Account Value, we will normally send the proceeds within 7 calendar days after your request is effective or after the Notice Date, as the case may be. We will normally effect periodic annuity payments on the day that corresponds to the Annuity Date and will make payment on the following Business Day. Payments or transfers may be suspended for a longer period under certain extraordinary circumstances. These include: a closing of the New York Stock Exchange other than on a regular holiday or weekend; a trading restriction imposed by the SEC; or an emergency declared by the SEC. Payments (including fixed annuity payments), withdrawals or transfers from the General Account (including any fixed-rate General Account Investment Option) may be delayed for up to six months after the request is effective. See **THE GENERAL ACCOUNT** for more details.

Confirmations, Statements and Other Reports to Contract Owners

Confirmations will be sent out for unscheduled Investments and transfers, loans, loan repayments, unscheduled partial withdrawals and a full withdrawal. Periodically, we will send you a statement that provides certain information pertinent to your Contract. These statements disclose Contract Value, Subaccount values, any fixed option values, fees and charges applied to your Contract Value, transactions made and specific Contract data that apply to your Contract. Confirmations of your transactions under the pre-authorized investment program, dollar cost averaging, earnings sweep, portfolio rebalancing, and pre-authorized withdrawal options will appear on your quarterly account statements. Your fourth-quarter statement will contain annual information about your Contract Value and transactions. You may also access these statements online.

If you suspect an error on a confirmation or quarterly statement, you must notify us in writing as soon as possible to ensure proper accounting to your Contract. When you write, tell us your name, contract number and a description of the suspected error. We assume transactions are accurate unless you notify us otherwise within 30 calendar days of receiving the transaction confirmation or, if the transaction is first confirmed on the quarterly statement, within 30 calendar days of receiving the quarterly statement. All transactions are deemed final and may not be changed after the applicable 30 calendar day period.

You will also be sent an annual report for the Separate Account and the Funds and a list of the securities held in each Portfolio of the Funds, as required by the 1940 Act; or more frequently if required by law.

Contract Owner Mailings. To help reduce expenses, environmental waste and the volume of mail you receive, only one copy of Contract Owner documents (such as the prospectus, supplements, announcements, and each annual and semi-annual report) may be mailed to Contract Owners who share the same household address (Householding). If you are already participating, you may opt out by contacting us. Please allow 30 calendar days for regular delivery to resume. You may also elect to participate in Householding by writing or calling us. The current documents are available on our website any time or an individual copy of any of these documents may be requested – see the last page of this Prospectus for more information.

Cybersecurity

Our business is highly dependent upon the effective operation of our computer systems and those of our business partners. As a result, our business is potentially susceptible to operational and information security risks associated with the technologies, processes and practices designed to protect networks, systems, computers, programs and data from attack, damage or unauthorized access. These risks include, among other things, the theft, loss, misuse, corruption and destruction of data maintained online or digitally, denial of service on websites and other operational disruption, and unauthorized release of confidential customer information. Cyber-attacks affecting us, any third party administrator, the underlying Funds, intermediaries, and other affiliated or third-party service providers may adversely affect us and your Contract Value. For instance, cyber-attacks may interfere with contract transaction processing, including the processing of orders from our website or with the underlying Funds; impact our ability to calculate Accumulated Unit Values, Subaccount Unit Values or an underlying Fund to calculate a net asset value; cause the release and possible destruction of confidential customer or business information; impede order processing; subject us and/or our service providers and intermediaries to regulatory fines and financial losses; and/or cause reputational damage. Cybersecurity risks may also impact the issuers of securities in which the underlying Funds invest, which may cause the Funds underlying your Contract to lose value. The constant change in technologies and increased sophistication and activities of hackers and others, continue to pose new and significant cybersecurity threats. While measures have been developed that are designed to reduce cybersecurity risks, there can be no guarantee or assurance that we, the underlying Funds, or our service providers will not suffer losses affecting your Contract due to cyber-attacks or information security breaches in the future.

Distribution Arrangements

PSD, a broker-dealer and our subsidiary, pays various forms of sales compensation to broker-dealers (including other affiliates) that solicit applications for the Contracts. PSD also may reimburse other expenses associated with the promotion and solicitation of applications for the Contracts.

We offer the Contracts for sale through broker-dealers that have entered into selling agreements with PSD. Broker-dealers sell the Contracts through their financial advisors. PSD pays compensation to broker-dealers for the promotion and sale of the Contracts. The individual financial advisor who sells you a Contract typically will receive a portion of the compensation, under the financial advisor's own arrangement with his or her broker-dealer. Broker-dealers may receive aggregate commissions of up to 6.50% of your aggregate Purchase Payments. Under certain circumstances where PSD pays lower initial commissions, certain broker dealers that solicit applications for Contracts may be paid an ongoing persistency trail commission (sometimes called a residual) which will take into account, among other things, the Account Value and the length of time Purchase Payments have been held under a Contract. A trail commission is not anticipated to exceed 1.50%, on an annual basis, of the Account Value considered in connection with the trail commission. Certain broker-dealers may also be paid an amount under a persistency program which will be based on assets under management and duration of Contracts. The amount under the persistency program for a financial advisor is not expected to exceed 0.25% of their total assets under management.

We may also provide compensation to broker-dealers for providing ongoing service in relation to Contracts that have already been purchased.

Additional Compensation and Revenue Sharing

To the extent permitted by SEC and FINRA rules and other applicable laws and regulations, selling broker-dealers may receive additional payments in the form of cash, other special compensation or reimbursement of expenses, sometimes called "revenue sharing". These additional compensation or reimbursement arrangements may include, for example, payments in connection with the firm's "due diligence" examination of the contracts, payments for providing conferences or seminars, sales or training programs for invited financial advisors and other employees, payments for travel expenses, including lodging, incurred by financial advisors and other employees for such seminars or training programs, seminars for the public, advertising and sales campaigns regarding the Contracts, and payments to assist a firm in connection with its administrative systems, operations and marketing expenses and/or other events or activities sponsored by the firms. Subject to applicable FINRA rules and other applicable laws and regulations, PSD and its affiliates may contribute to, as well as sponsor, various educational programs, sales contests and/or promotions in which participating firms and their salespersons may receive prizes such as merchandise, cash, or other awards. Such additional compensation may give us greater access to financial advisors of the broker-dealers that receive such compensation or may otherwise influence the way that a broker-dealer and financial advisor market the Contracts.

These arrangements may not be applicable to all firms, and the terms of such arrangements may differ between firms. We provide additional information on special compensation or reimbursement arrangements involving selling firms and other financial institutions in the Statement of Additional Information, which is available upon request. Any such compensation will not result in any additional direct charge to you by us.

The compensation and other benefits provided by PSD or its affiliates may be more or less than the overall compensation on similar or other products. This may influence your financial advisor or broker-dealer to present this Contract over other investment vehicles available in the marketplace. You may ask your financial advisor about these differing and divergent interests, how he/she is personally compensated and how his/her broker-dealer is compensated for soliciting applications for the Contract.

Service Arrangements

We have entered into services agreements with certain Funds, or Fund affiliates, which pay us for administrative and other services, including, but not limited to, certain communications and support services. The fees are based on an annual percentage of average daily net assets of certain Fund portfolios purchased by us at Contract Owner's instructions. Currently, the fees received do not exceed an annual percentage of 0.25% and each Fund (or Fund affiliate) may not pay the same annual percentage (some may pay significantly less). Because we receive such fees, we may be subject to competing interests in making these Funds available as Investment Options under the Contracts.

American Funds Insurance Series pays us for each American Funds Insurance Series Fund portfolio (Class 4) held by our separate accounts. Fidelity Distributors Corporation pays us for each Fidelity® Variable Insurance Products Fund portfolio (Service Class) held by our separate accounts.

Replacement of Life Insurance or Annuities

The term "replacement" has a special meaning in the life insurance industry and is described more fully below. Before you make your purchase decision, we want you to understand how a replacement may impact your existing plan of insurance.

A policy "replacement" occurs when a new policy or contract is purchased and, in connection with the sale, an existing policy or contract is surrendered, lapsed, forfeited, assigned to the replacing insurer, otherwise terminated, or used in a financed purchase. A "financed purchase" occurs when the purchase of a new life insurance policy or annuity contract involves the use of funds obtained from the values of an existing life insurance policy or annuity contract through withdrawal, surrender or loan.

There are circumstances in which replacing your existing life insurance policy or annuity contract can benefit you. As a general rule, however, replacement is not in your best interest. Accordingly, you should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract to determine whether replacement is in your best interest.

State Considerations

Certain Contract features described in this Prospectus may vary or may not be available in your state. The state in which your Contract is issued governs whether or not certain features, Riders, charges or fees are available or will vary under your Contract. These variations are reflected in your Contract and in Riders or Endorsements to your Contract. See your financial advisor or contact us for specific information that may be applicable to your state.

California Applicants Age 60 or Older

For residents of the state of California 60 years of age or older, the Free Look period is a 30-day period beginning on the calendar day you receive your Contract. If you are a California applicant age 60 or older and your Contract is delivered or issued for delivery on or after July 1, 2004, you must elect, at the time you apply for your Contract, to receive a return of either your Purchase Payments or your Contract Value proceeds if you exercise your Right to Cancel and return your Contract to us.

If you elect to receive the return of Purchase Payments option, the following will apply:

- We will allocate all or any portion of any Purchase Payment we receive to any available fixed option if you instruct us to do so. We will allocate all or any portion of any Purchase Payment designated for any Variable Investment Option to the Fidelity® VIP Government Money Market Subaccount until the Free Look Transfer Date. The Free Look Transfer Date is 30 calendar days from the Contract Date. On the Free Look Transfer Date, we will automatically transfer your Fidelity® VIP Government Money Market Subaccount Value according to the instructions on your application, or your most recent instruction, if any. This automatic transfer to the Variable Investment Options according to your initial allocation instruction is excluded from the Transfer limitations. See **HOW YOUR PURCHASE PAYMENTS ARE ALLOCATED – Transfers and Market-timing Restrictions**.
- If you specifically instruct us to allocate all or any portion of any additional Purchase Payments we receive to any Variable Investment Option other than the Fidelity® VIP Government Money Market Subaccount before the Free Look Transfer Date, you will automatically change your election to the return of your Contract Value proceeds option. This will automatically cancel your election of the "return of Purchase Payments" option for the entire Contract.
- If you request a transfer of all or any portion of your Contract Value from the Fidelity® VIP Government Money Market Subaccount to any other Variable Investment Option before the Free Look Transfer Date, you will automatically change your election to the return of your Contract Value proceeds option. This will automatically cancel your election of the "return of Purchase Payments" option for the entire Contract.
- If you exercise your Right to Cancel, we will send you your Purchase Payments.

If you elect the return of Contract Value proceeds option, the following will apply:

- We will immediately allocate any Purchase Payments we receive to the Investment Options you select on your application or your most recent instructions, if any.

- If you exercise your Right to Cancel, we will send you your Contract Value proceeds described in the Right to Cancel (“Free Look”) section of this prospectus.
- Once you elect this option, it may not be changed.

Financial Statements

Pacific Life’s financial statements are contained in the Statement of Additional Information. The financial statements of Separate Account B are incorporated by reference in the Statement of Additional Information from the Annual Report of Separate Account B.

Rule 12h-7 Representation

In reliance on the exemption provided by Rule 12h-7 of the Securities Exchange Act of 1934 (“34 Act”), we do not intend to file periodic reports as required under the 34 Act.

THE GENERAL ACCOUNT

General Information

All amounts allocated to a fixed option become part of our General Account. Subject to applicable law, we exercise sole discretion over the investment of General Account assets, and bear the associated investment risk. You will not share in the investment experience of General Account assets. Unlike the Separate Account, the General Account is subject to liabilities arising from any of our other business. Any guarantees provided for under the contract or through optional riders are backed by our financial strength and claims-paying ability. You must look to the strength of the insurance company with regard to such guarantees. Payments (including fixed annuity payments), withdrawals or transfers from the General Account (including any fixed-rate General Account Investment Option) may be delayed for up to six months after the request is effective.

Because of exemptive and exclusionary provisions, interests in the General Account under the Contract are not registered under the Securities Act of 1933, as amended, and the General Account has not been registered as an investment company under the 1940 Act. Any interest you have in a fixed option is not subject to these Acts. This disclosure is, however, subject to certain provisions of federal securities laws relating to the accuracy and completeness of statements made in prospectuses.

Guarantee Terms

When you allocate any portion of your Purchase Payments or Contract Value to any fixed option, we guarantee you an interest rate (a “Guaranteed Interest Rate”) for a specified period of time (a “Guarantee Term”). Guarantee Terms will be offered at our discretion.

Guaranteed Interest Rates for any fixed option may be changed periodically for new allocations. Your allocation will receive the Guaranteed Interest Rate in effect for that fixed option on the effective date of your allocation. All Guaranteed Interest Rates will credit interest daily at a rate that compounds over one year to equal the annual effective rate. The Guaranteed Interest Rate on your fixed option will remain in effect for the Guarantee Term and will never be less than the minimum guaranteed interest rate specified in your Contract.

Withdrawals and Transfers

Prior to the Annuity Date, you may withdraw or transfer amounts from any fixed option to one or more of the other Variable Investment Options. No partial withdrawal or transfer may be made from a fixed option within 30 calendar days of the Contract Date. Currently, we are not requiring the 30-day waiting period on partial withdrawals and transfers, but we reserve the right to require the 30-day waiting period on partial withdrawals and transfers in the future. We will provide at least a 30 calendar day prior notice before we enforce the 30-day waiting period on partial withdrawals and transfers. If your withdrawal leaves you with a Net Contract Value of less than \$1,000, we have the right, at our option, to terminate your Contract and send you the withdrawal proceeds.

Amounts transferred or withdrawn from any fixed option may be delayed, as described under **ADDITIONAL INFORMATION – Timing of Payments and Transactions**. Any amount delayed, so long as it is held under any fixed option, will continue to earn interest at the Guaranteed Interest Rate then in effect until that Guarantee Term has ended, and the minimum guaranteed interest rate specified in your Contract thereafter, unless state law requires a greater rate be paid.

Fixed Option

If you allocate all or part of your Account Value to the Fixed Option, the maximum aggregate Account Value you may allocate to the Fixed Option is currently \$250,000. This limitation is subject to change at any time. Ask your financial advisor about current limitations.

Each allocation (or rollover) you make to the Fixed Option receives a Guarantee Term that begins on the Business Day that allocation or rollover is effective and ends at the end of that Contract Year or, if earlier, on your Annuity Date. At the end of that Contract Year, we will roll over your Fixed Option Value on that Business Day into a new Guarantee Term of one year (or, if shorter, the time remaining until your Annuity Date) at the then current Guaranteed Interest Rate, unless you instruct us otherwise.

Example: Your Contract Anniversary is February 1. On February 1 of year 1, you allocate \$1,000 to the Fixed Option and receive a Guarantee Term of one year and a Guaranteed Interest Rate of 5%. On August 1, you allocate another \$500 to the Fixed Option and receive a Guaranteed Interest Rate of 6%. Through January 31, year 1, your first allocation of \$1,000 earns 5% interest and your

second allocation of \$500 earns 6% interest. On February 1, year 2, a new interest rate may go into effect for your entire Fixed Option Value.

You may make one transfer or partial withdrawal from your Fixed Option during any Contract Year, except that this limitation does not apply under the dollar cost averaging, earnings sweep and pre-authorized withdrawal programs. You may make one transfer or one partial withdrawal within the 30 calendar days after the end of each Contract Anniversary. Normally, you may transfer or withdraw up to one-half (50%) of your Fixed Option Value in any given Contract Year. However, in consecutive Contract Years, you may transfer or withdraw 50% of your Fixed Option Value in the first year and your remaining Fixed Option Value in the second consecutive year. In addition, if, as a result of a partial withdrawal or transfer, the Fixed Option Value is less than \$500, we have the right, at our option, to transfer the entire remaining amount to your other Investment Options on a proportionate basis relative to your most recent allocation instructions.

We reserve the right to waive the restrictions that limit transfers from the Fixed Option to one transfer within the 30 calendar days after the end of each Contract Anniversary. We also reserve the right to waive the limitations on the maximum amount you may transfer from the Fixed Option in any given Contract Year. Currently, we are not enforcing any of the Fixed Option withdrawal and transfer restrictions. We may process requests for transfers from the Fixed Option that are within the maximum number of allowable transfers among the Investment Options each calendar year; i.e. transfers are limited to 25 for each calendar year.

You can receive a copy of the Pacific Select Variable Annuity II SAI without charge by calling us at (800) 722-4448 or you can visit our website at www.pacificlife.com to download a copy. Financial advisors may call us at (800) 722-2333.

FINANCIAL HIGHLIGHTS (CONDENSED FINANCIAL INFORMATION)

The table below is designed to help you understand how the Variable Investment Options available under Pacific Select Variable Annuity II have performed. It shows the value of a Subaccount Unit at the beginning and end of each period, as well as the number of Subaccount Units at the end of each period. A Subaccount Unit is also called an Accumulation Unit.

You should read the table in conjunction with the financial statements for Separate Account B, which are included in its annual report dated as of December 31, 2017.

	AUV at Beginning of Period	AUV at End of Period	Number of Subaccount Units Outstanding at End of Period
Comstock			
2017	\$17.63	\$20.48	4,141
2016	\$15.22	\$17.63	4,229
2015	\$16.43	\$15.22	4,046

The Financial Industry Regulatory Authority (FINRA) provides investor protection education through its website and printed materials. The FINRA regulation website address is www.finra.org. An investor brochure that includes information describing the BrokerCheck program may be obtained from FINRA. The FINRA BrokerCheck hotline number is (800) 289-9999. FINRA does not charge a fee for the BrokerCheck program services.

Our Privacy Promise

- **We do not sell information about you.**
- **We do not share your information with anyone else for their marketing purposes.**
- **We use your personal information only to help maintain and grow the business relationship you have with us.**

Privacy Notice to Our Customers

As our customer, you trust us to help you achieve financial success and security. We provide this notice because you have a right to know how we protect the privacy of the personal information you share with us. Your knowledge of our privacy principles and practices will confirm the trust you have placed in us.

What Personal Information Do We Collect?

The type of information that we collect depends on the type of product or service you request. This includes:

- Information you provide on an application or other form (for example, name, address, social security number, or income).
- Information we get from other sources such as credit reporting agencies and information to verify employment or income.
- Information about your business relationship and history with us.
- Medical or health information you permit us to receive from doctors or other health care providers.

Much of the personal information we collect is obtained from you. We collect personal information needed only to service and manage your relationship with us.

How Do We Use and Disclose Your Information?

The main use of your information is to confirm your identity in the course of business that we perform at your request. We also use your information to underwrite policies or contracts, process claims, and service your relationship with us. Information may be disclosed to other entities that provide business services to us related to our relationship with you. This includes administrative, claims, or audit services. Examples are your producer/registered representative, broker, or a reinsurance company. Before we disclose your information, these entities must agree to keep it private.

We may also share information within our corporate family to service and grow the business relationship we have with you. For example, our business units provide administrative services, policy document preparation and delivery, and claims processing. Additionally, we may provide information to individuals and entities with whom you authorize us to share.

If necessary, we disclose information when it is required by law. An example is a routine filing to the Internal Revenue Service (such as a Form 1099). We may also disclose certain information to other entities to help us report or prevent fraud. Examples are reports to a regulatory or law enforcement agency.

What Medical and Health Information Do We Collect?

We may receive medical or health information about you. This may be on an application for insurance or when we process a claim, as approved by you in writing. We do not share that medical or health information among our family of companies. We do not share it with unrelated companies, except as needed to process your transactions. This may be necessary to provide services that you have requested related to your insurance coverage or payment.

How Do We Protect the Security of Your Information?

We have policies to maintain physical, electronic, and procedural safeguards to protect the confidentiality of your personal information. Access to personal information is available only to those people who need to know it in order to help service our relationship with you.

Should your relationship with us end, we will continue to follow the privacy policies described in this notice to the extent that we retain information about you. If we no longer need to retain that information, we will dispose of it in a secure manner.

Do You Need to Do Anything?

It is not necessary for you to take any action. This is because we do not share your information except to service the business relationship you have with us. You do not need to "opt-out" or "opt-in" as you may have done with other financial companies.

How Can You See And Correct Your Information?

Generally, you have the right to review the personal information we have about you. You must request this in writing. We will not disclose information we have collected in connection with a claim or lawsuit. If you believe that any of the information we have is in error, you may write us and request a correction. Where justified, corrections will be made.

Confidentiality Practices for Victims of Domestic Violence or Abuse

Pacific Life understands that certain personal information may require special handling. This may be especially true in instances where an individual is, or has been, a victim of domestic violence or abuse. This information may include the individual's address, telephone number, name and place of employment, and other contact or location information.

If you are a Pacific Life applicant, policyowner, insured or beneficiary, who is a victim of domestic violence or other abuse, and would like Pacific Life to take steps to further safeguard your information from others or need to remove a previously submitted request, our Customer Service Representatives are available to assist you.

- For Life Insurance policies that have policy numbers beginning with "2L", please call 844-276-0191 from 9:00AM-8:00PM ET.

Please have a copy of your policy or contract available when you call so we may provide you with the best service. You may also review Pacific Life's Online Privacy Policy.

Pacific Life will provide you a copy of our Privacy Promise annually.

We, Our and Us, as referred to in this notice, includes:

Pacific Life Insurance Company
Pacific Life & Annuity Company
Pacific Select Distributors, LLC
Pacific Life Fund Advisors LLC

Pacific Life Insurance Company is licensed to issue individual life insurance and annuity products in all states except New York. Product availability and features vary by state. Individual life insurance and annuity products are available in New York through Pacific Life & Annuity Company. Each company is solely responsible for the financial obligations accruing under the policies and annuity contracts it issues, and its product and rider guarantees are backed by that company's financial strength and claims-paying ability.
